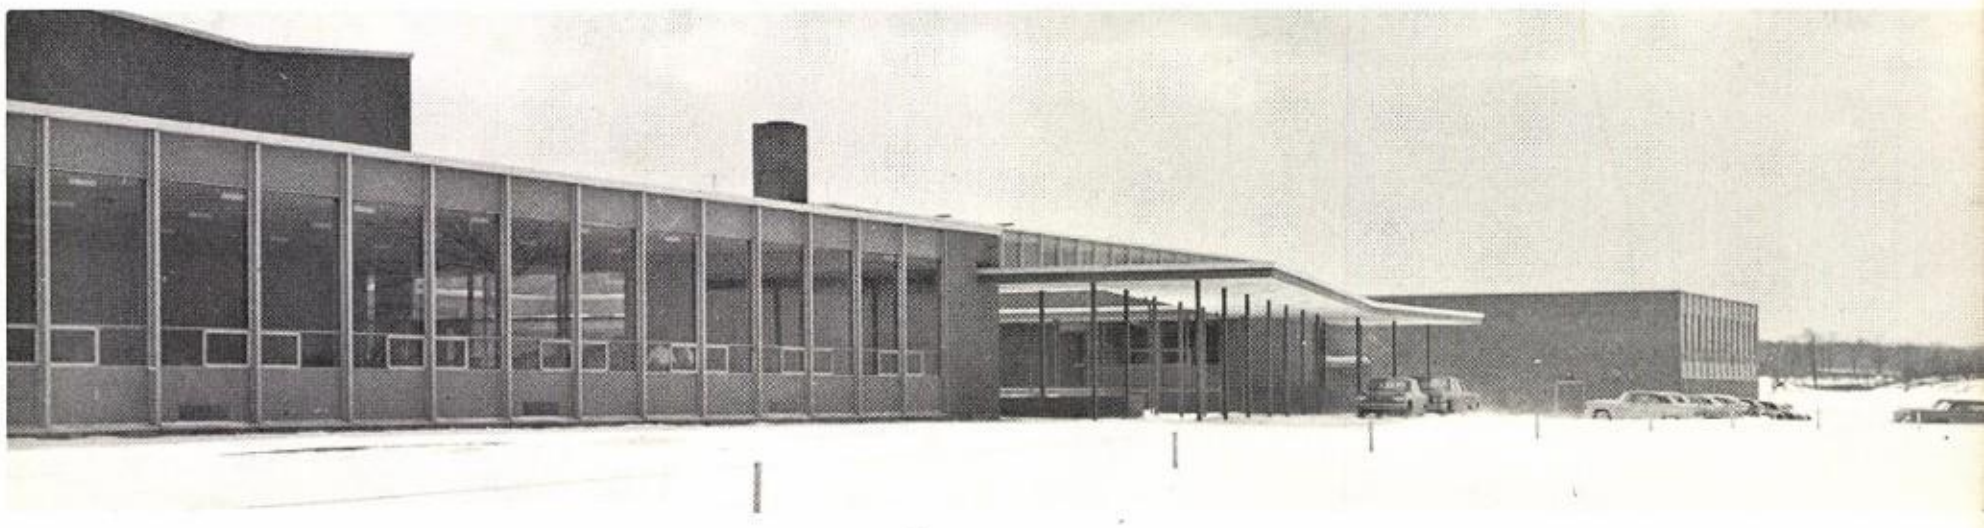
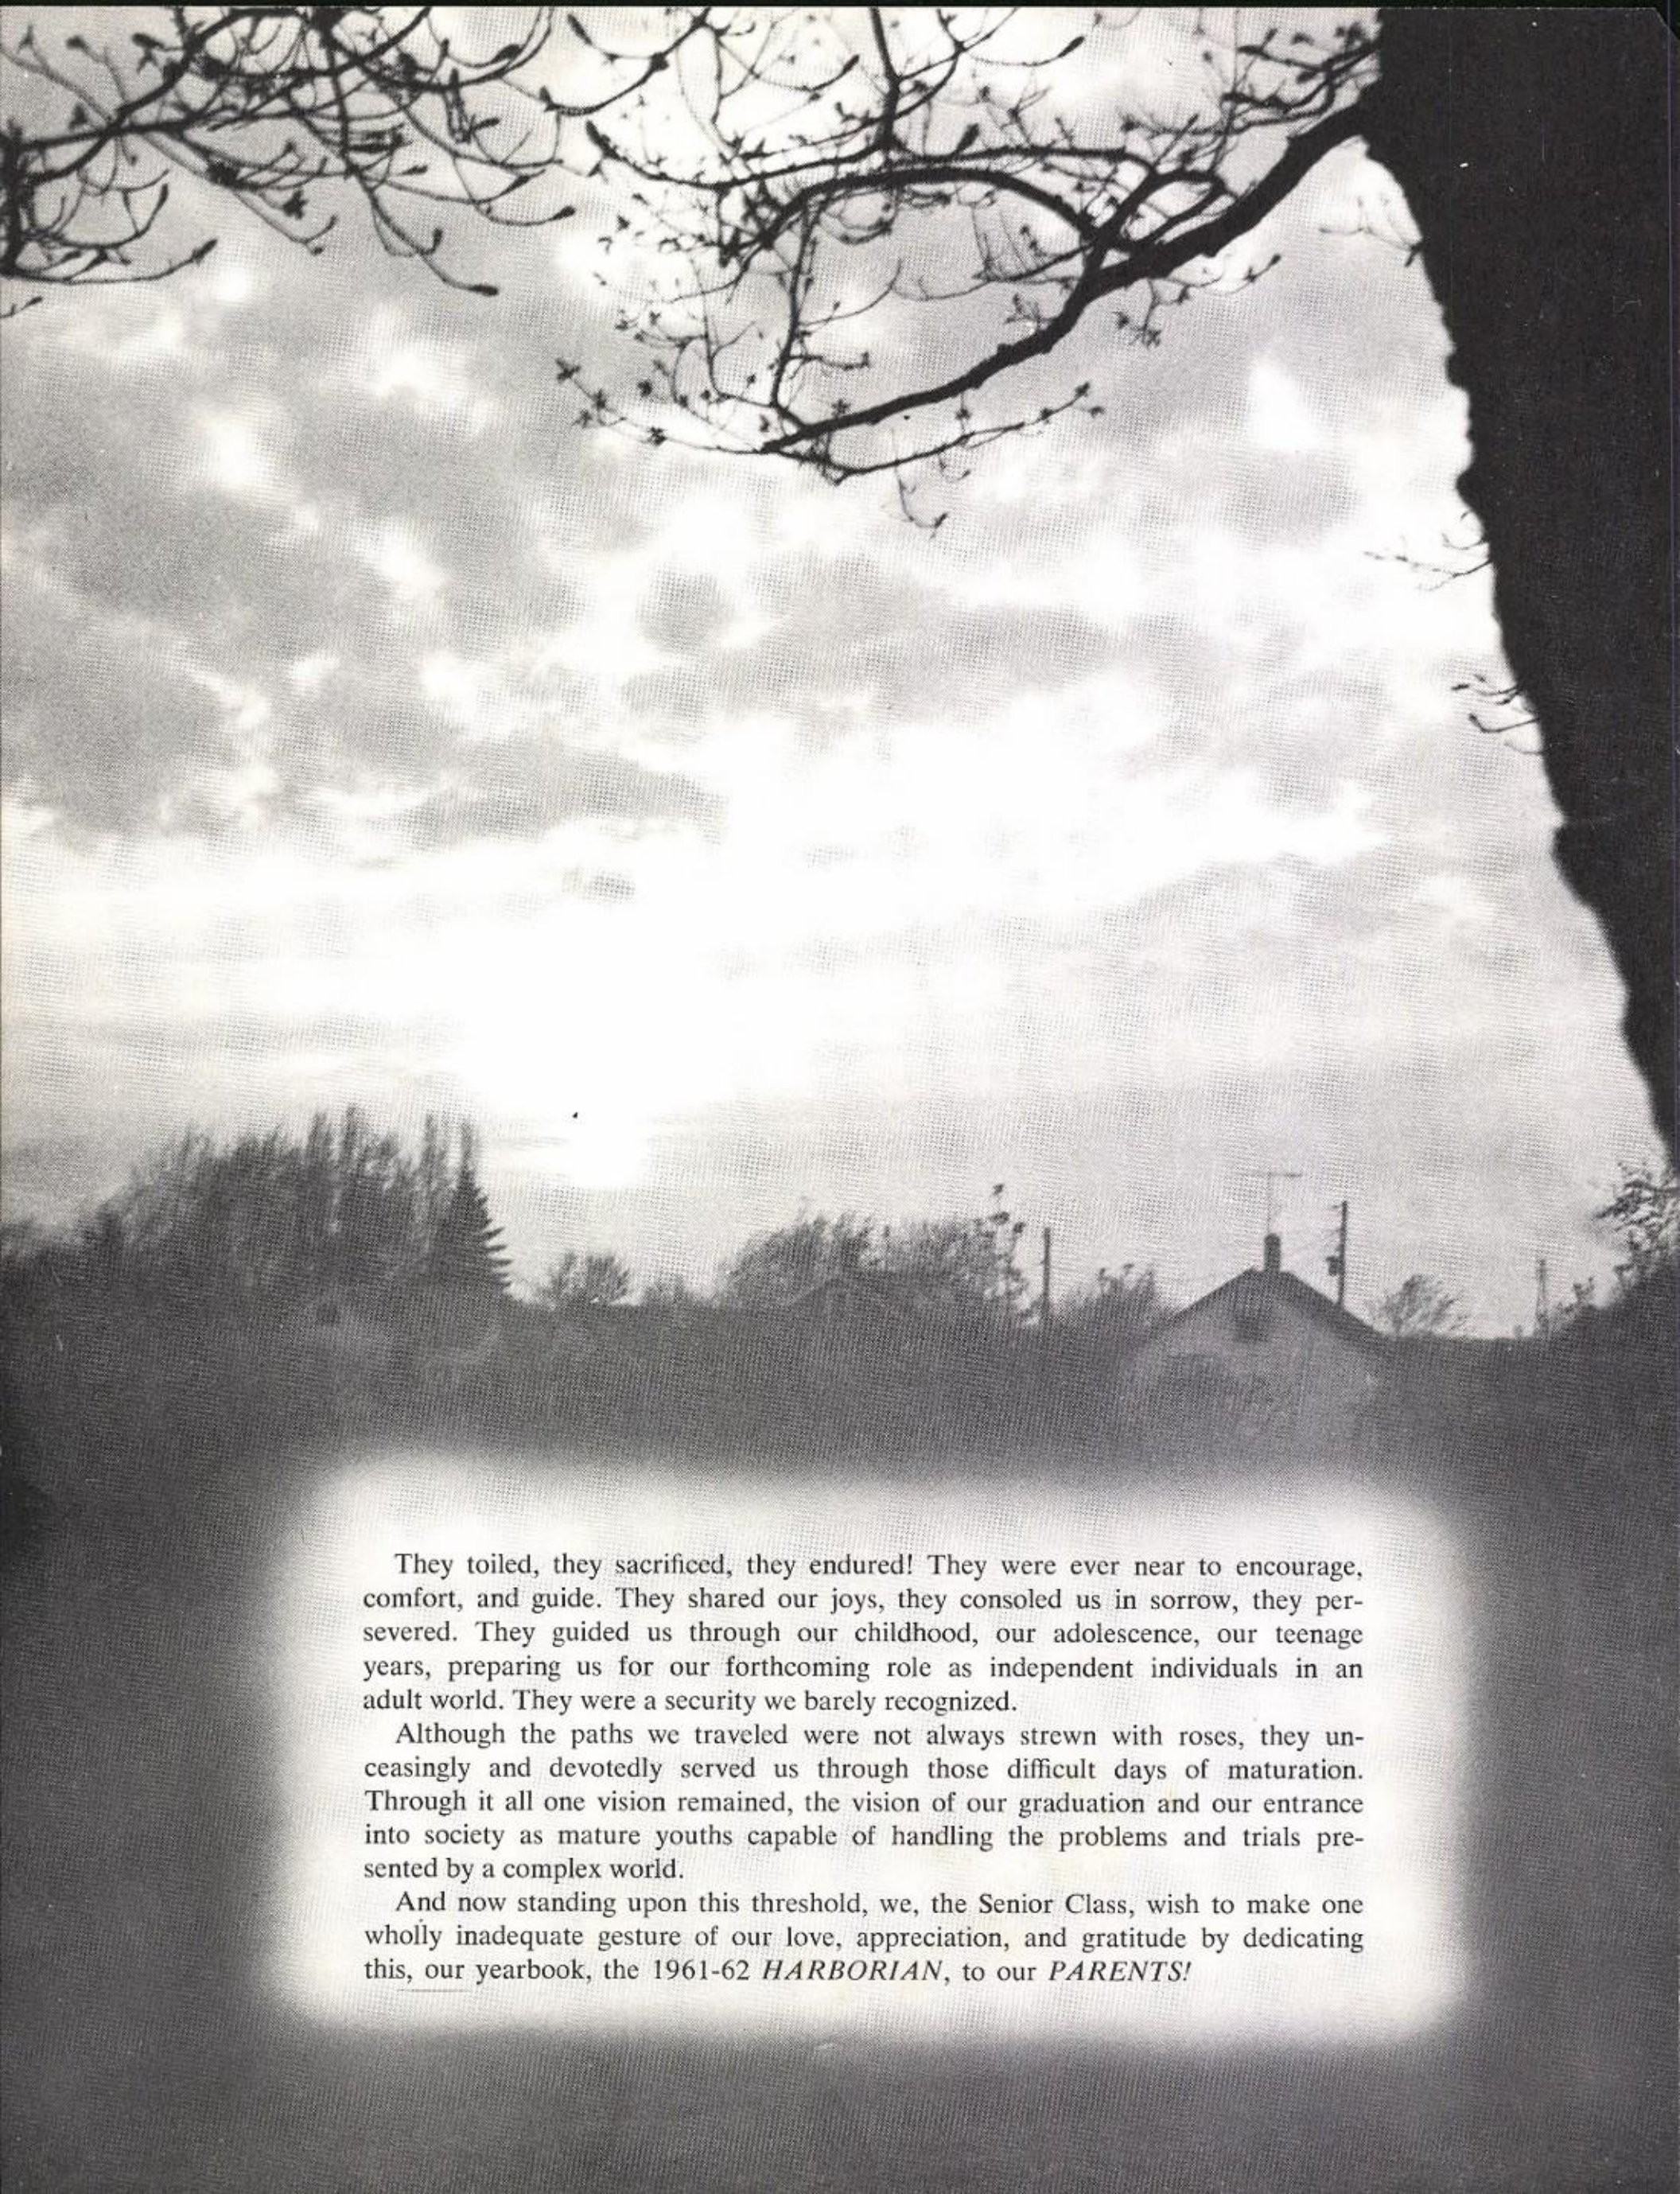
Underclassmen

Activities

Sports





They toiled, they sacrificed, they endured! They were ever near to encourage, comfort, and guide. They shared our joys, they consoled us in sorrow, they persevered. They guided us through our childhood, our adolescence, our teenage years, preparing us for our forthcoming role as independent individuals in an adult world. They were a security we barely recognized.

Although the paths we traveled were not always strewn with roses, they unceasingly and devotedly served us through those difficult days of maturation. Through it all one vision remained, the vision of our graduation and our entrance into society as mature youths capable of handling the problems and trials presented by a complex world.

And now standing upon this threshold, we, the Senior Class, wish to make one wholly inadequate gesture of our love, appreciation, and gratitude by dedicating this, our yearbook, the 1961-62 *HARBORIAN*, to our *PARENTS!*

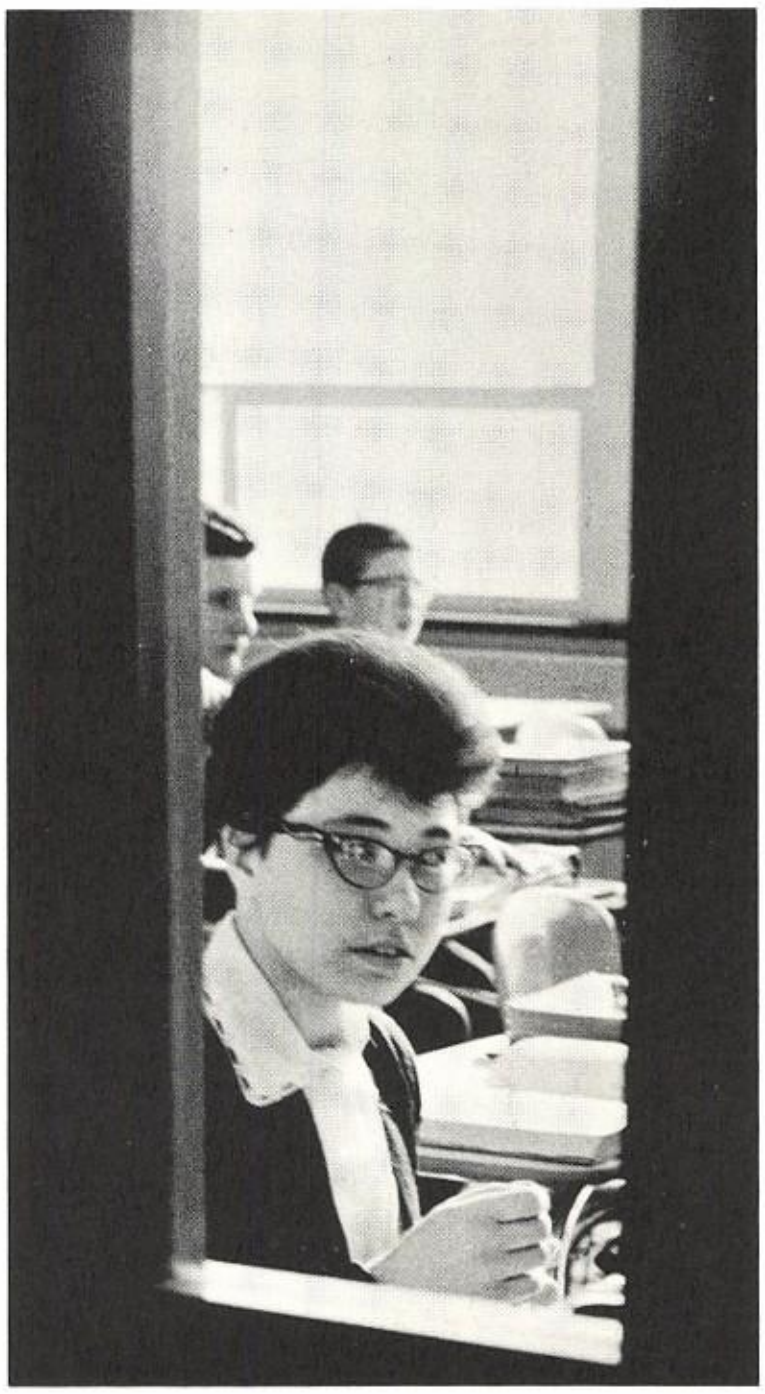
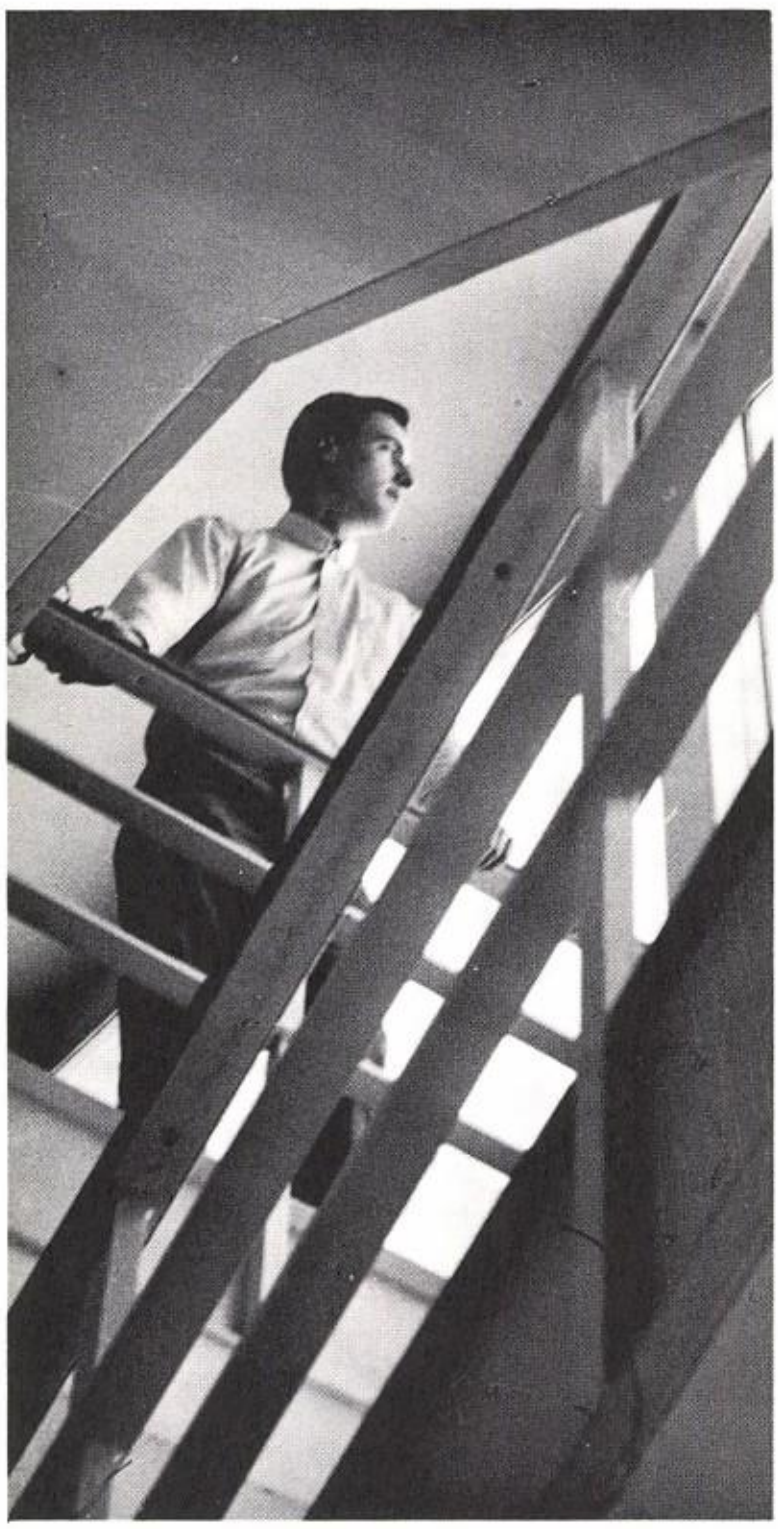
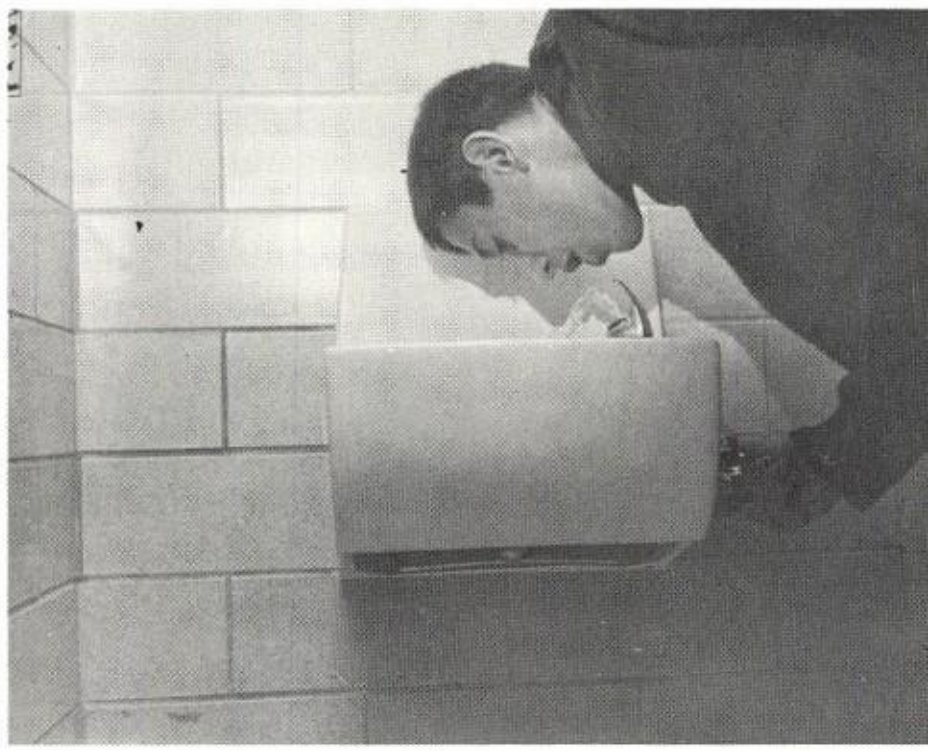
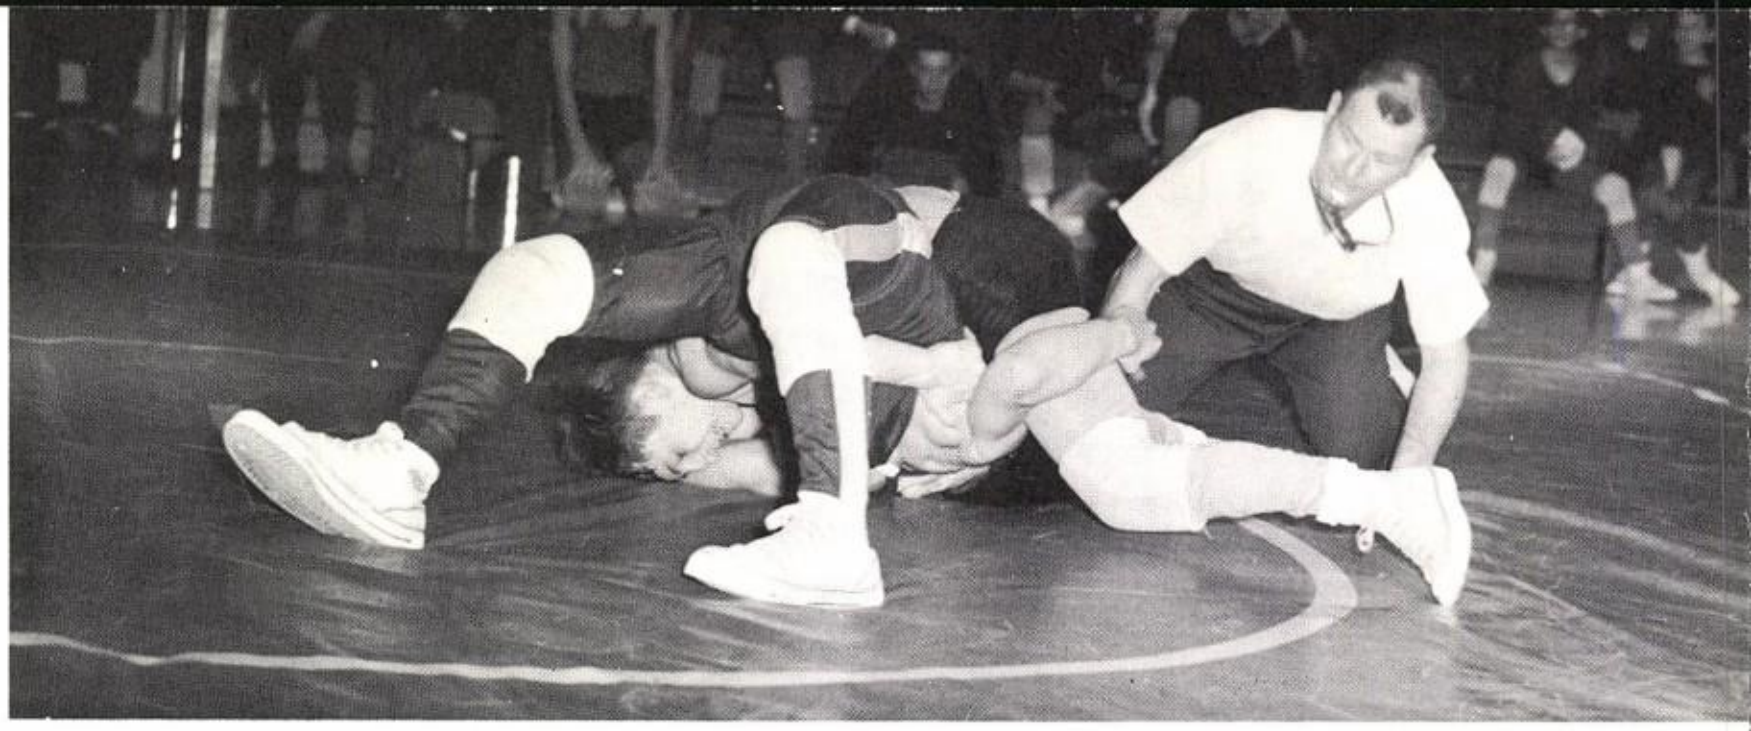
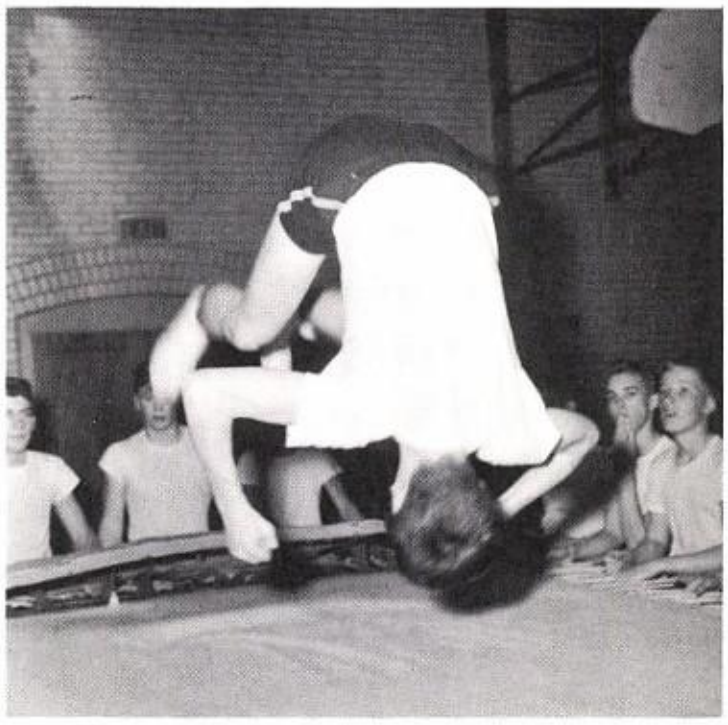
EXIT

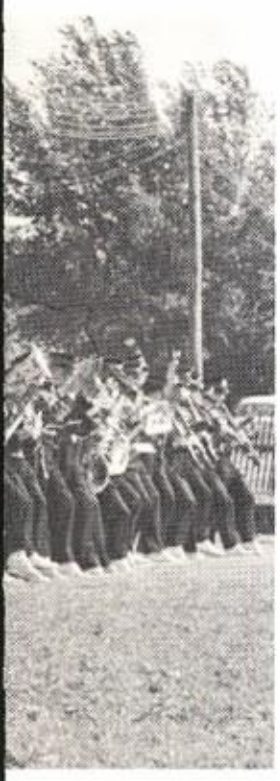


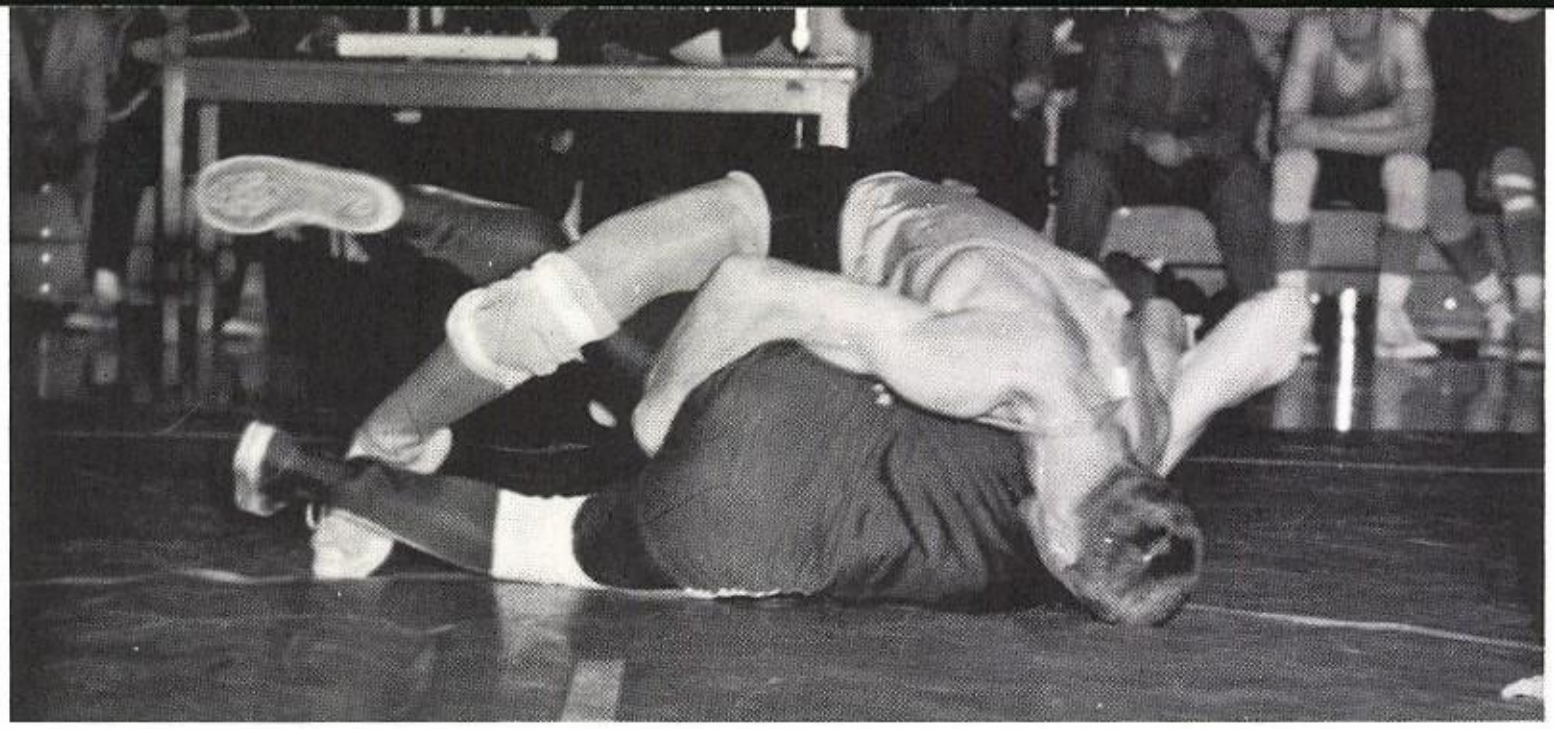


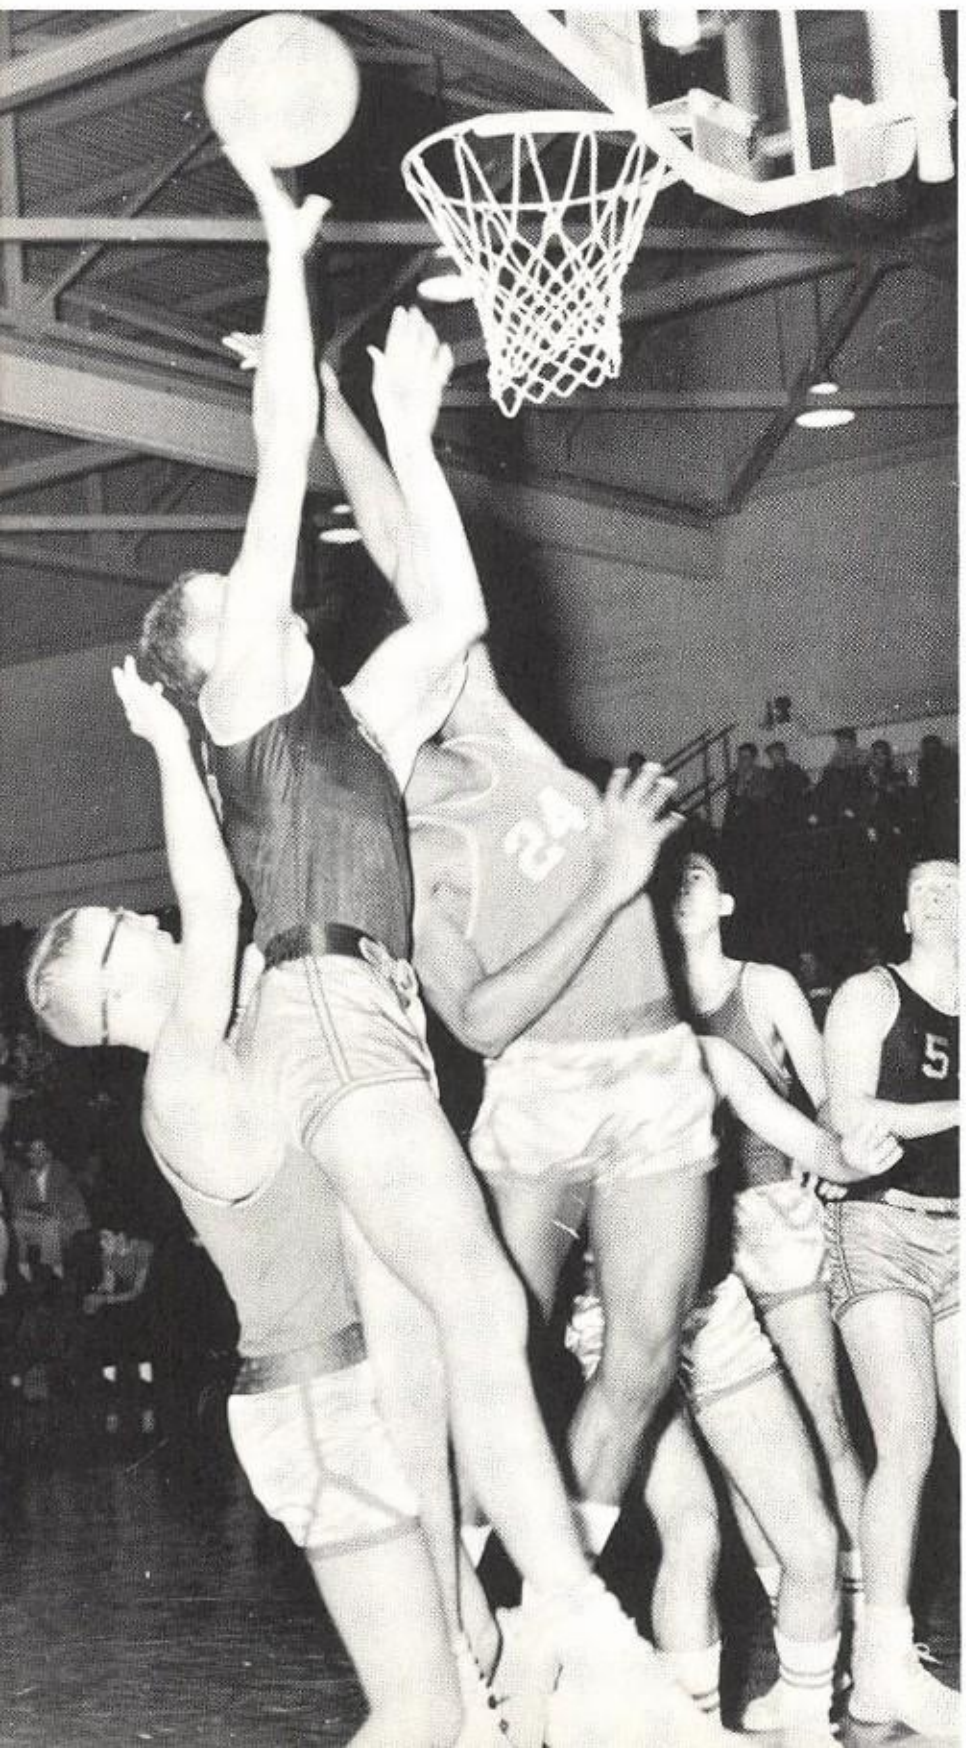


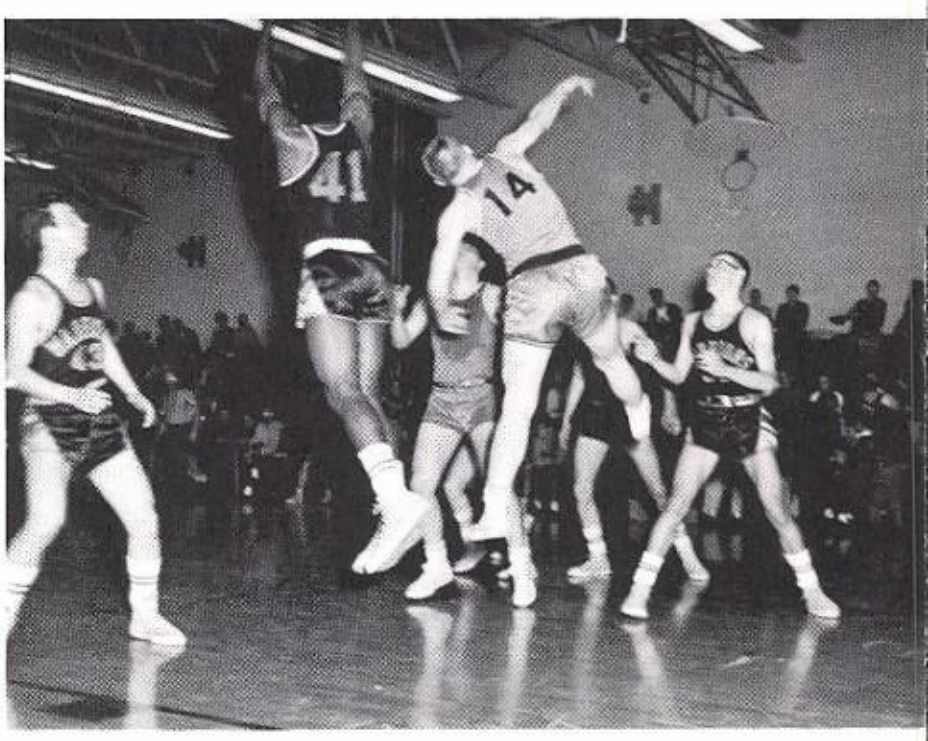


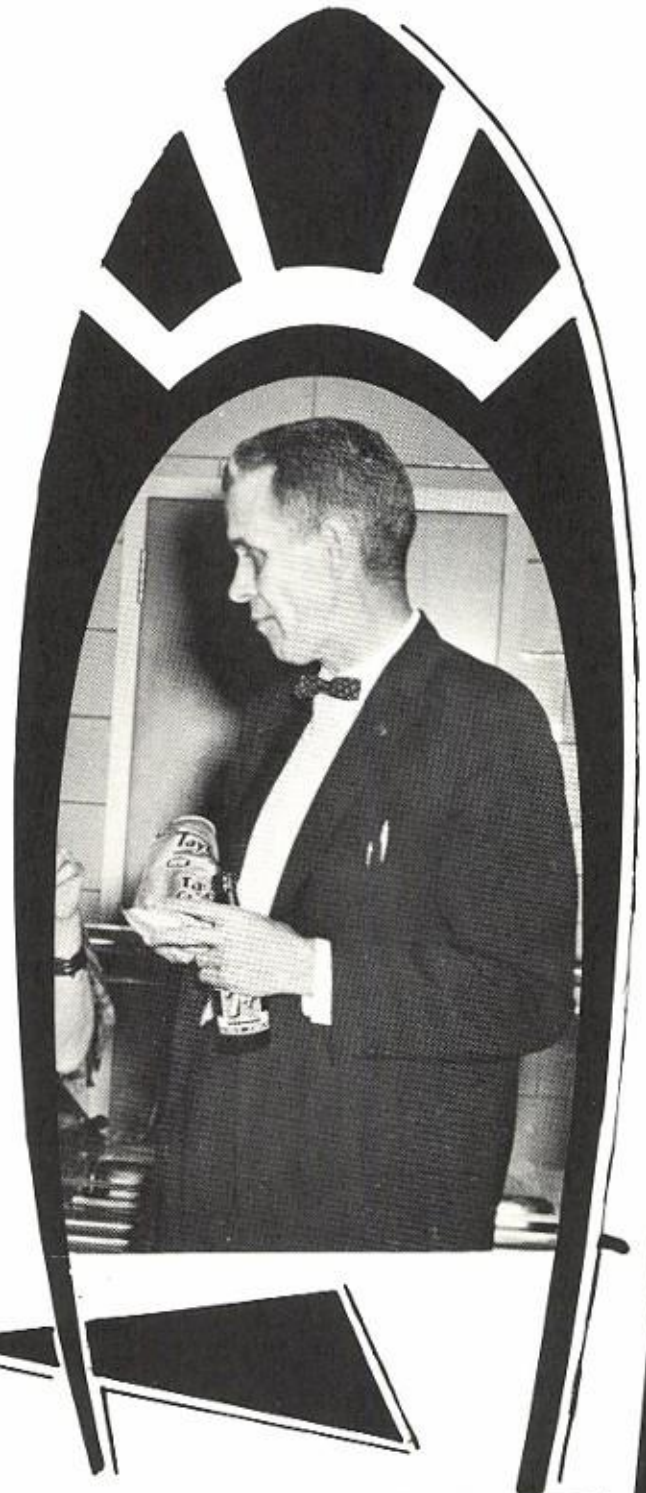












ADMINISTRATION

At the top of the Harbor Creek Township School System is a group of hard-working men called the Board of Education. These men spend long hours toiling and planning for us, that we may receive the best education possible on a secondary level. We are pleased to have this opportunity to commend them for their superior accomplishments.

Stop, Look, and Listen

The slogan of Mr. Haynes' Driver Education classes this year was: "Drive safely, the life you save may be your own."

Each student has three days of actual driving experience and two days of classroom study per week. During these training sessions, stress is put upon the learning of the basic rules and regulations of automobile operation in the hope of making every day a safe driving day.

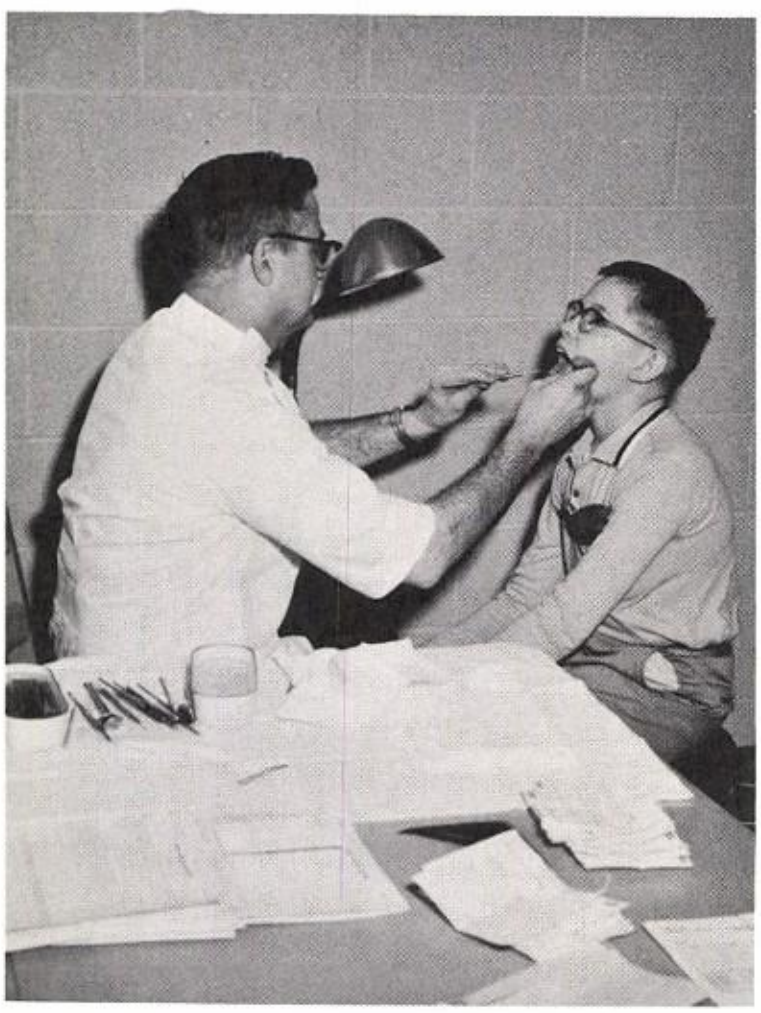
Convivial Conveyors

Throughout the year, regardless of weather conditions, the bus drivers always manage to take students to and from school safely. Besides these responsibilities, they willingly accept the task of transporting the athletic teams, band, cheerleaders, and cadets for games, and students for skating parties.

Constant in Duty

The school nurses can always be relied upon to keep Harb's students healthy and happy. With a cheery word and a smile for everyone, they attempt to cure all ailments.

JANETTE MRAZ
R.N.—St. Vincent's Hospital



ROSE M. DEVERS
R.N.—St. Vincent's Hospital
B.S.—Villa Maria

Harb students can boast of one of the finest cafeterias in the area. Special congratulations are in order to the entire staff for the fine food and service offered throughout the year.

Our Culinary Artists

Keeping a school clean and in good order is not an easy task. Sincere thanks go to all of the hard-working members of the maintenance staff for the fine job they have done in keeping Harbor Creek looking its best at all times.

Beverly Hackenberg

Last summer Rob Seelar spent a most enjoyable and profitable time with the Herman Zumbach family of Bruchsal, Germany.

His family consisted of six members: Mr. and Mrs. Herman Zumbach; Dieter, 23, married and living away; Gunter, 19; Monika, 18; and Wolfgang, 13.

During his stay, Rob accompanied his foster family on excursions to Bonn, Essen, Stuttgart, Old Heidelberg, Phforzheim, "Old Father Rhine," and the beautiful Black Forest.

Sharing American customs with his family, Rob learned numerous German customs in return, besides much of their language.

Agreements Abroad

"Over an ocean, across a continent." This is indeed an appropriate opening for Harb's exchange student, Wendy Tonkin. She came to us last August from Sidney, Australia, where she lives with her mother, father, and two brothers.

While here Wendy's itinerary included Thanksgiving in New York, Christmas in Washington, D. C. and Florida, and Easter in Boston, all under the auspices of her American family, the Mitchells.

Wendy's new experiences were many. She encountered her first cold, went ice skating, did the "twist," ate pizza, and attended a co-educational high school.

Harbor Creek is truly grateful to the A.F.S. for sharing with us a little bit of Sidney's "sparkle."

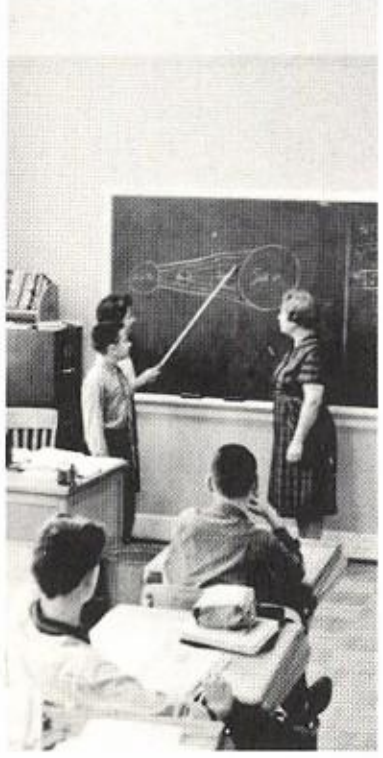
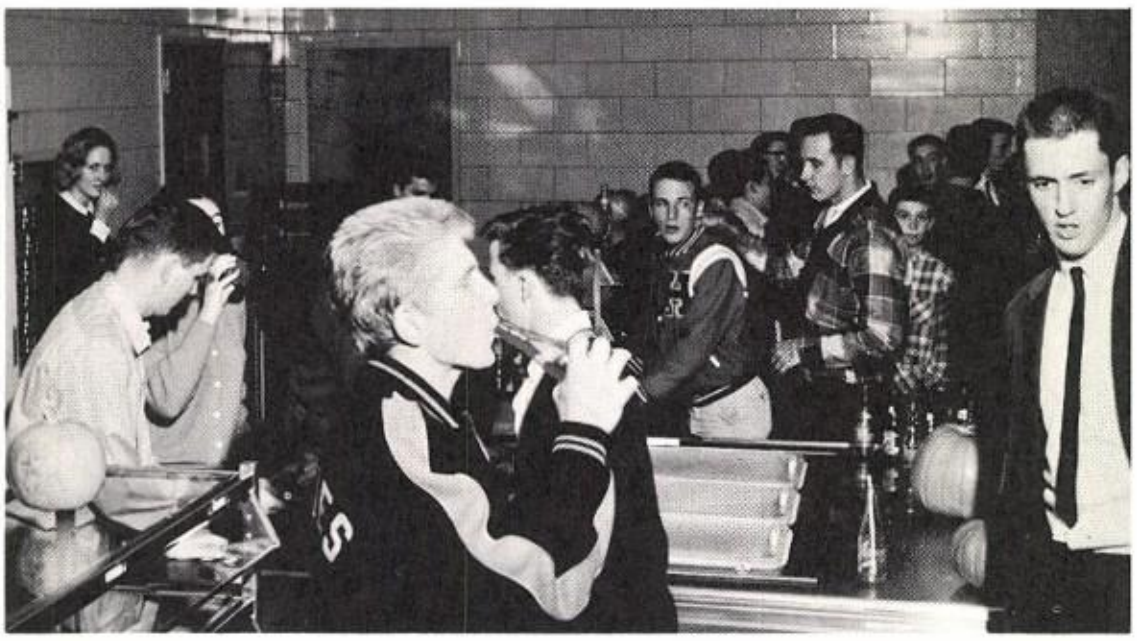
Underclassmen



ACTIVITIES

Assemblies of Aspiration



Dancers' Delight

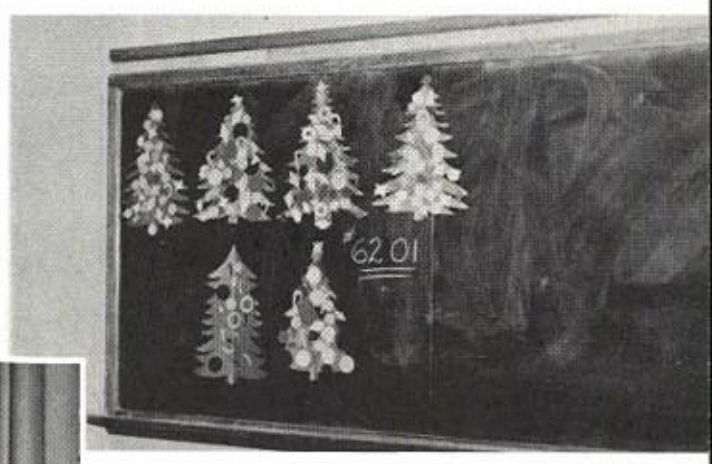
Offering an experience in student democracy, the Student Council is the co-ordinating agency between the administration and the student body. This creates a democratic atmosphere among the students and secures their free expression.

Harb's legislature gives the opportunity and initiative to not only criticize and suggest, but also to promote a greater sense of co-operation and responsibility among the student body.

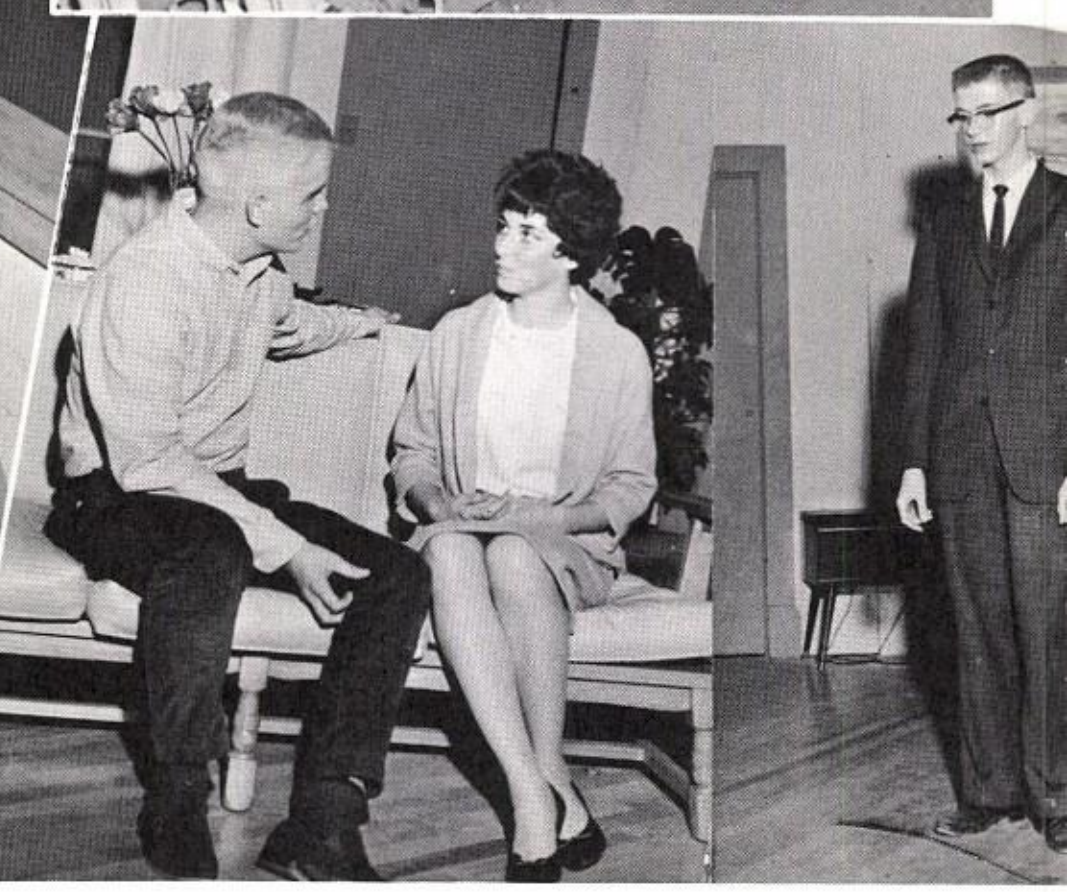
The 1961-62 Student Council labored to achieve success in these objectives under the able guidance of Mr. Bannister and Mr. Dennis-ton, and competent administration by its officers.

A Free Democratic Spirit

Each year five percent of the Junior Class and ten percent of the Senior Class are inducted into the National Honor Society on the basis of their qualities of Scholarship, Character, Leadership, and Service. Because it is one of the greatest honors in high school, each student strives to achieve this goal and for every new member there is a feeling of deep satisfaction for a job well done.



Greatest Goals



Under the able direction of Mr. Rhodes, the stage crew excelled in every undertaking which they were called upon to perform. Special congratulations are in order for their fine work during the Class play. Preparing sets takes not only brawn but also artistic ability and design understanding, and these qualities the Stage crew had in abundance.

Everyone at Harbor Creek owes a vote of thanks to these competent, hard-working behind-the-scenes students.

The Gazebo

It was the evening of November 21, the production of *The Gazebo* was scheduled to commence at 8:oo p.m. The curtain went up, the lights dimmed, a deadly silence spread over the audience as a shot rang out, and the Senior Class play was under way. The play, a situation comedy, dealt with the supposed murder of a blackmailer. He was murdered by Elliot Nash, a professional writer of television mystery stories, who was caught in the web of his own vivid imagination.

The Gazebo, the Nashs' summerplace, provided a solution concerning the disposal of the corpse.

Through the combined efforts of the cast and stage crew, *The Gazebo* was declared an outstanding success.

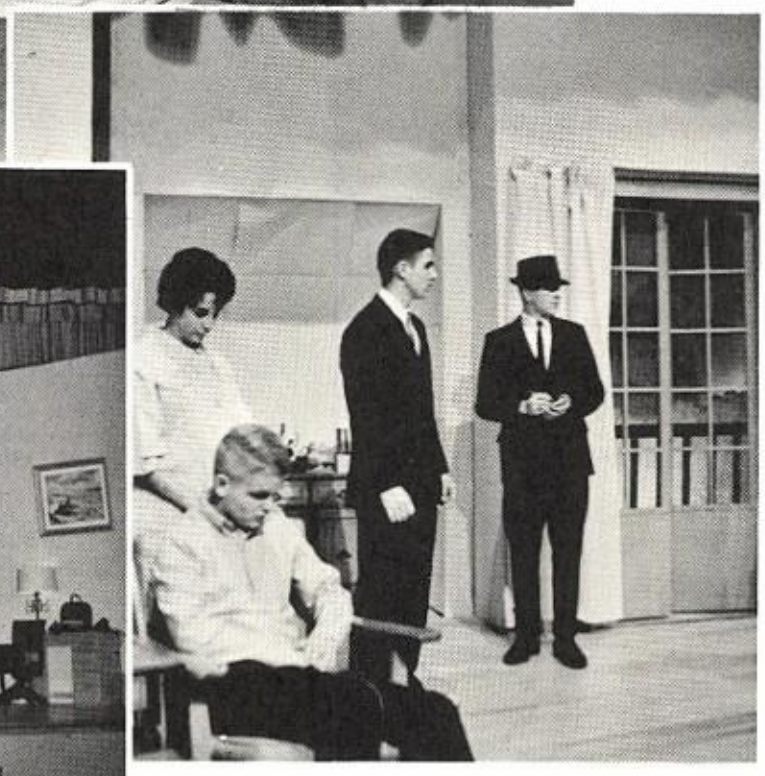
DRUKER	Richard Herbst
A COP	Randy Emch
STUDENT DIRECTOR	Pat Stark



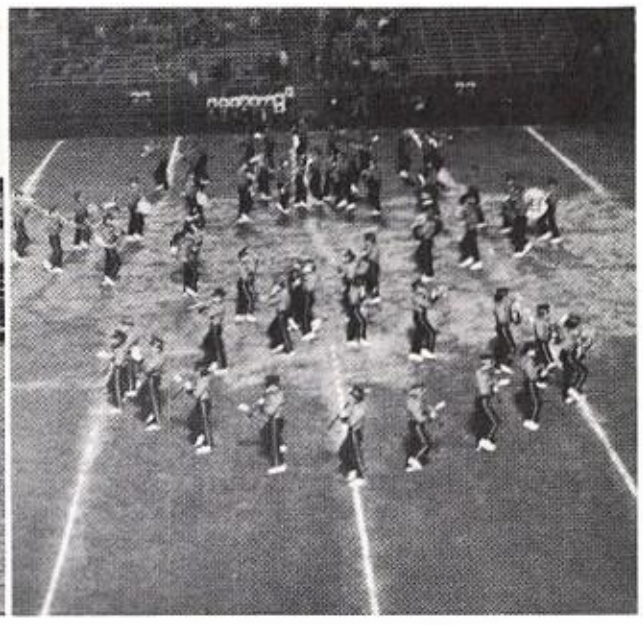
Whether on the field or in the concert hall, the Harbor Creek High School Band took a back seat to none. Under the flowing baton of its Director, Mr. Albert Cerutti, the band surged ever forward for the honor of Harb. Quality was always prevalent in its renowned performances at football games. Marching half-time shows were filled with variety and stimulating music.

Brilliant colors, precision maneuvers, thundering drums, crashing cymbals, and melodious flutes emerged as the reward for daily practice during 7th period.

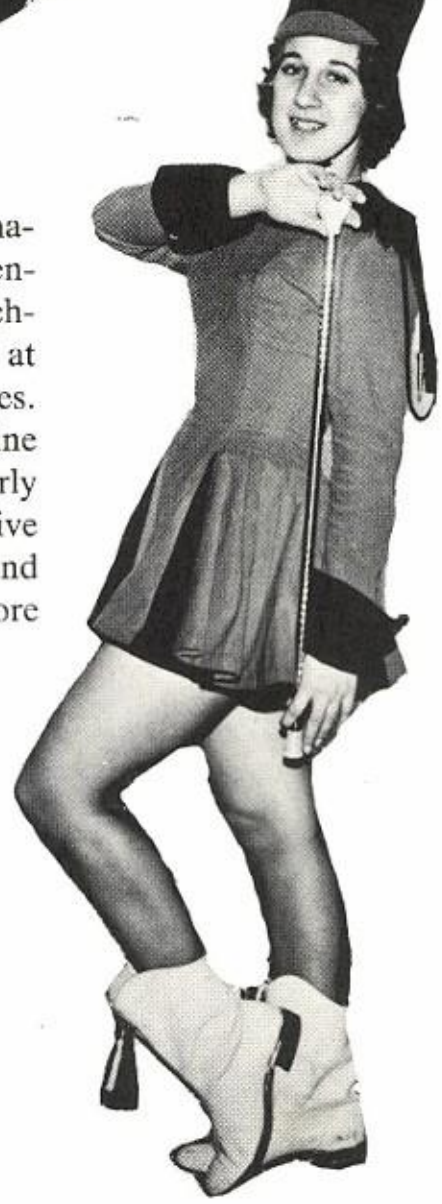
District Musicians

Officers

. . . and Talent to Make it Worthwhile



Our vivacious drum majorette, Beverly Hackenberg, could be seen marching ahead of the band at all of the football games. Besides putting on a fine show of her own, Beverly was always ready to give the members of the band that extra little boost before each performance.



The Dance and Pep Band were combined this year into one unit to facilitate more practice and to design better music arrangements for the band.

Musical harmony, theory, and composition were studied as one of the combo's enterprises.

Practice with the Cadets and Twirlers during football season and outstanding performances at the games and dances made them renowned and appreciated by all.

Musicians of Note

Whether the baton's beat set a stirring march in tempo or quelled a vibrant concert, the Junior Band was ever-willing to bid for new musical heights under the masterful direction of Mr. Cerutti.

Rising Musicians

Sound of Music

Every 4th period, anyone in the vicinity of Room 308 can hear a melodious blending of mellow voices. Suddenly a masculine voice interjects; "Let's do that over," and once again a song bursts forth, only this time *ne plus ultra*.

Students indicated that all the programs presented by the Girl's Chorus throughout the year were pleasant to the ear and thoroughly enjoyable.

Carol Mosher, *President;* Sue Hatch, *Vice-President;* Carolyn Carr, *Secretary-Treasurer;* Sally Mowris, Brenda Bryner, Joyce Robinson, *Section Leaders.*

"Go!"

"*One* ana *two* ana . . ."

"Is that a C# or a D♭?"

"You sopranos in the back row—pay attention!!"

Youthful Voices

The Junior Chorus under the direction of Mr. McIntosh lifted their voices to sing each day in preparation for the various programs which they presented during the school year.

Adroit Apprentices

Working on the yearbook staff was an experience that will never be forgotten. There were moments of frustration and dejection, and there were times when chaos reigned supreme. However, with the realization that there was a deadline to meet, everyone pitched in and from the mass of photos and copy emerged the 1961-62 edition of the *Harborian*.
MISSION ACCOMPLISHED!

Under those smiles is a gritting of teeth.

How about a smile?

"Please, check your name at the door before you leave."

"No, you *can't* be in the picture."

"Did you know that the federal government . . ."

"Now the way I see it . . ."

"Debators today, leaders tomorrow." This is the appropriate theme that Harb's young orators have chosen as their motto. Basic precepts followed are: Clear thinking, sound logic, and reasoning. Through research techniques, they compile their speeches comparable to those of William Jennings Bryan, the golden throated orator. Mr. Rudy, the willing advisor of the Debate Club, has given his time and effort to the training of these young enthusiasts.

Resolved : That . . .

The Junior Debators are given the groundwork in argumentation by Mrs. Hulings, their capable leader. They develop poise and improve their speaking ability by participating in intersquad debates.

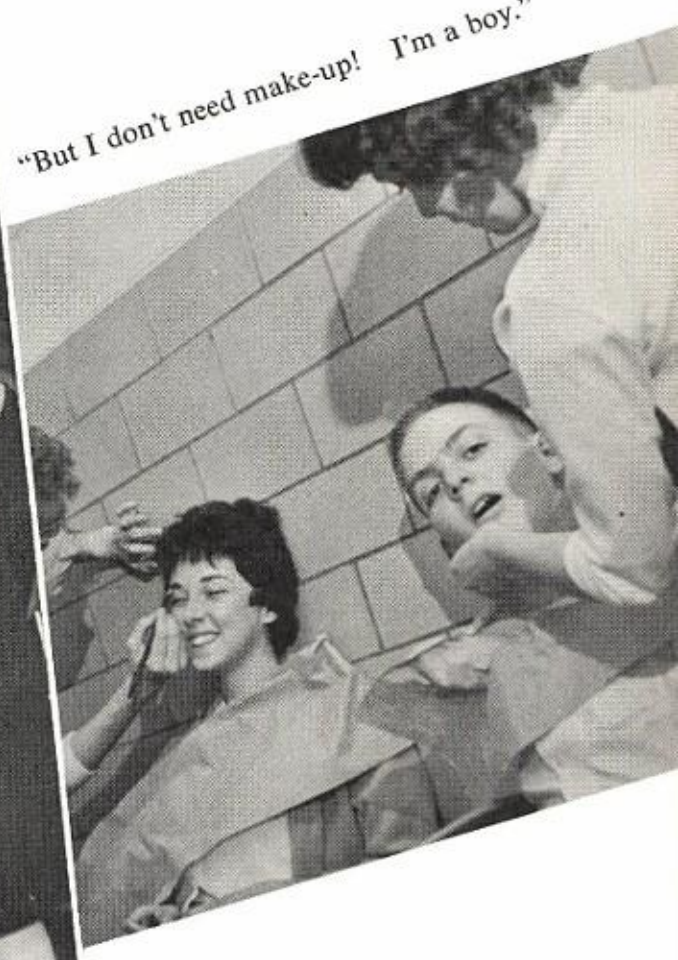
The Dramatics Club, under the sponsorship of Mr. Rhodes and Mr. McCabe, had as its main goal this year the raising of funds for the purpose of obtaining stage lights.

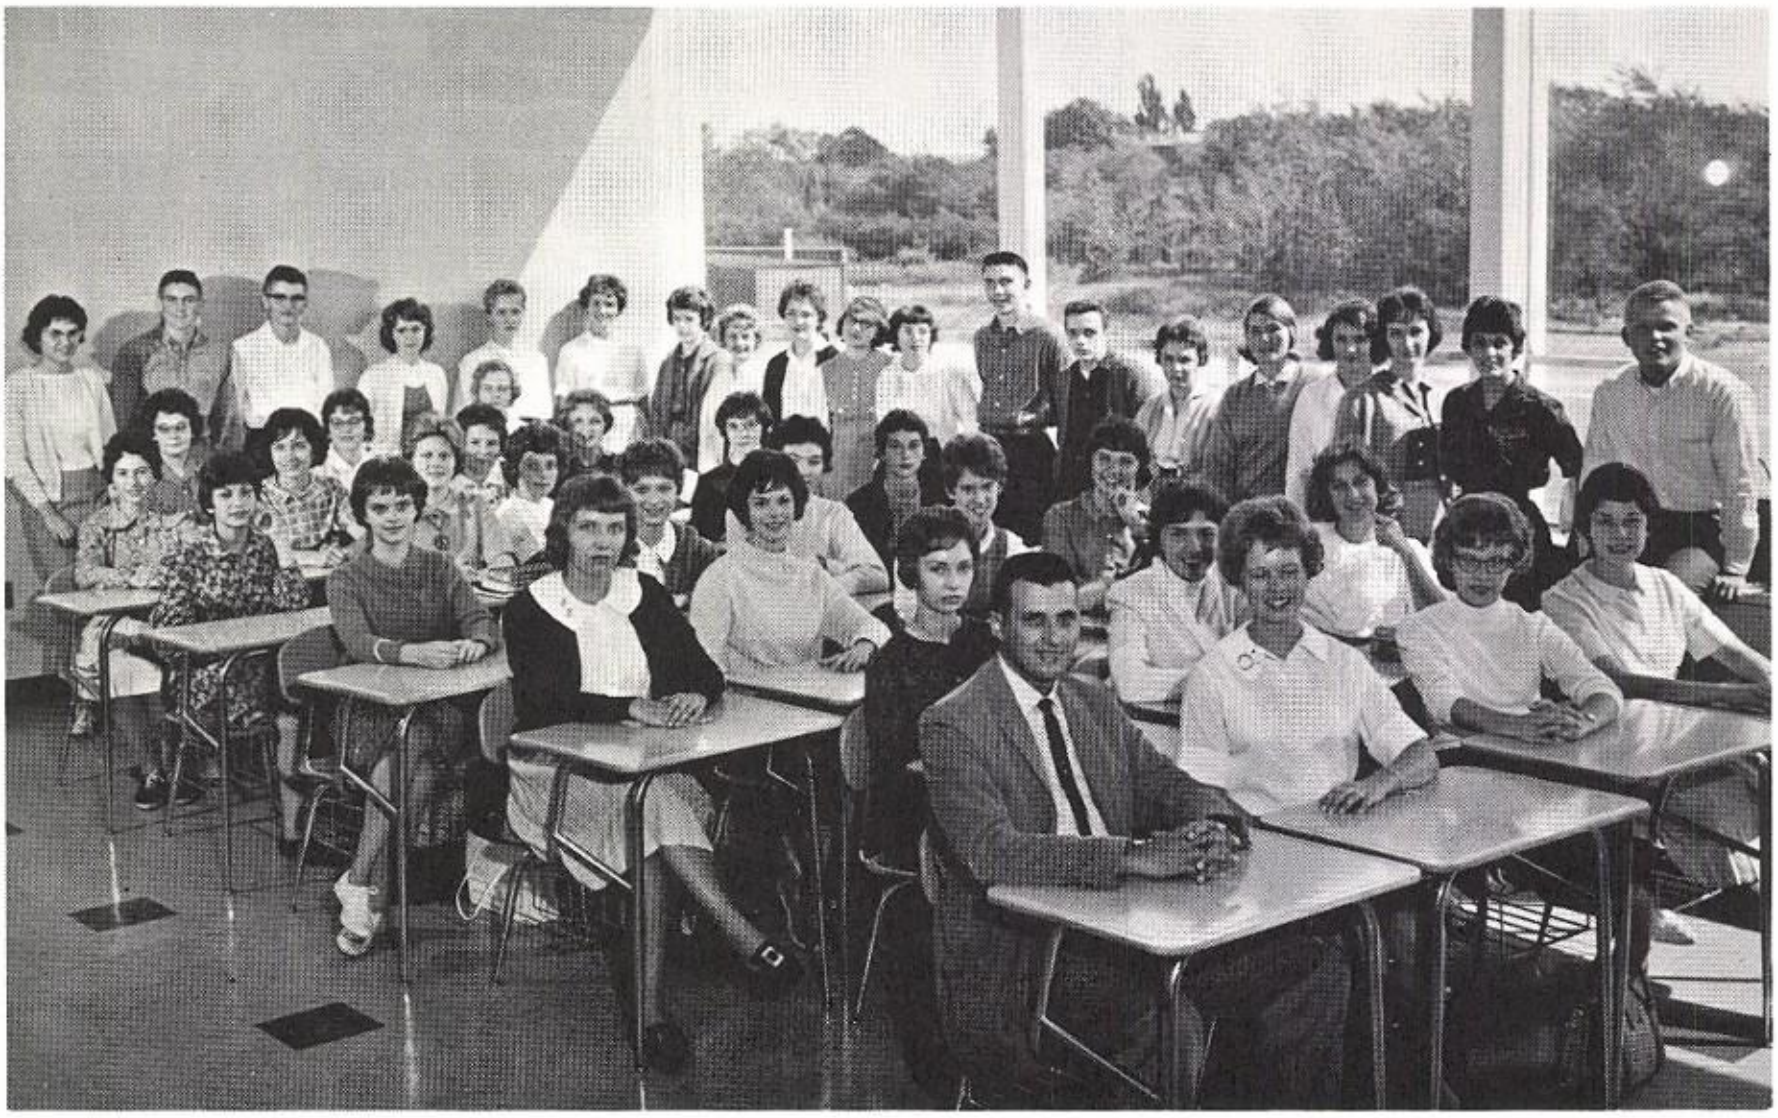
Other club activities throughout the year included study of the history of the theater and the art of stage make-up.

Thespians on View

"Who took the lipstick?"

"But I don't need make-up! I'm a boy."





To You We Entrust . . .

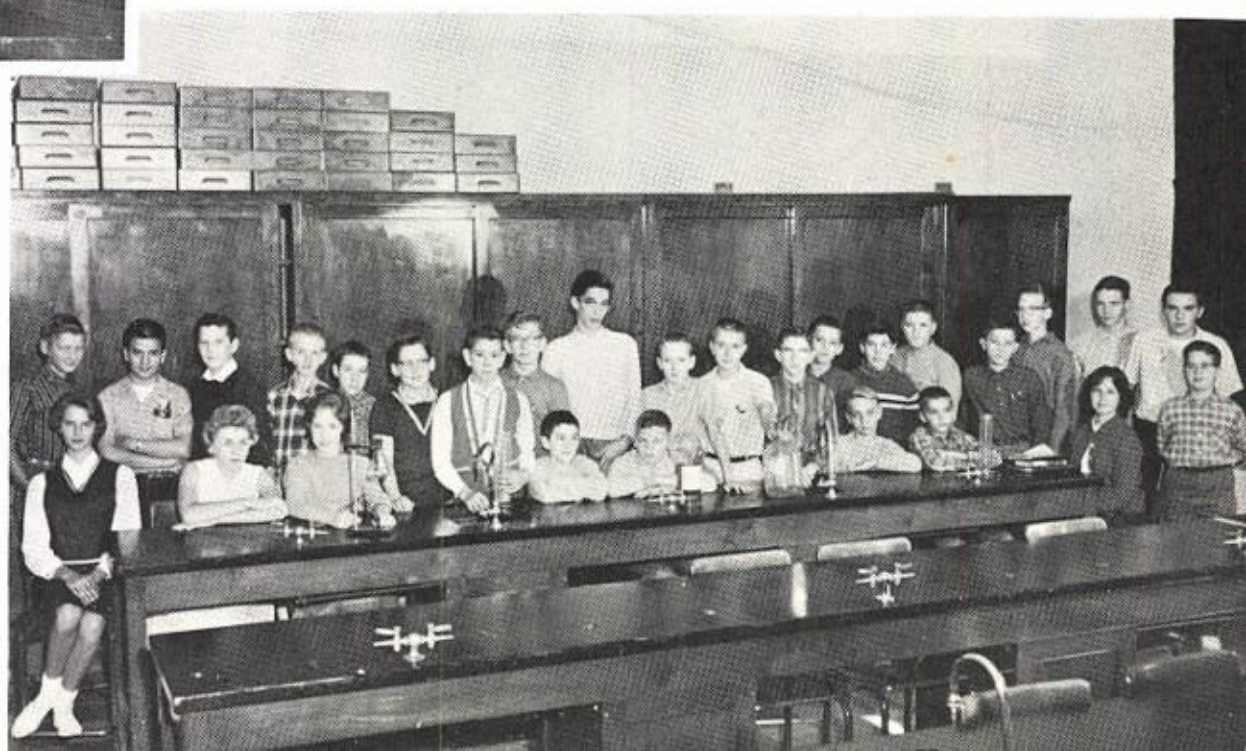
The Future Teachers of America Club has strived to cultivate among its members the qualities which are the foundations of successful teaching—personality and character.

Activities for the year included two bake sales, an after game pizza party, and an educational workshop for the purpose of raising a scholarship for a deserving member.

Accent on the Unknown

The main purpose of the Chemistry Club was to further one's knowledge of chemistry. By doing this the members of the club learned the use of chemistry as a hobby or in some cases as a vocation. Under the instruction of Mr. Peterson, the club usually tested the experiments to be used during lab period in the regular chemistry class.

The purpose of the Junior Science Club was to expand our knowledge in Science. We accomplished this by doing research, studying, and experimenting in biology, chemistry, and physical science.



Checkmate

A new organization, the Chess Club, was instituted this year to give students an opportunity to learn and participate in the game of Chess.

Specific aims of the club are: To give fundamental instruction to beginners; to improve the skill of all members, and to develop an appreciation of the game among young people.

History in the Making

The Junior Historians' ambition has always been to further the members' knowledge and understanding of Erie County.

Membership qualifications include having good grades in history and having a keen interest in the local area.

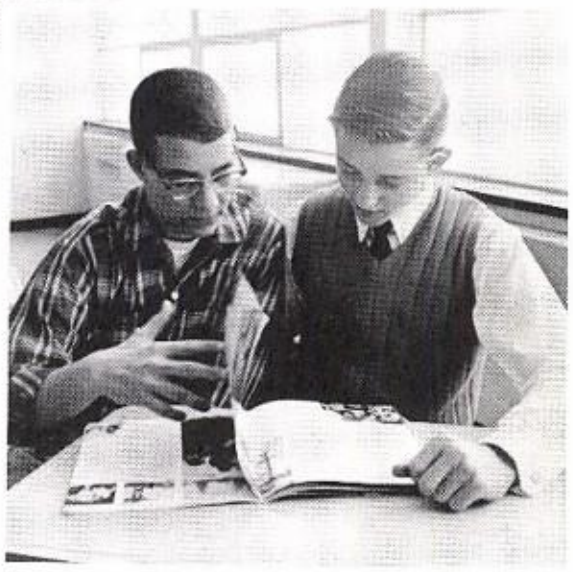
Activities of the club included taking field trips and searching for antiquated books, newspapers, and magazines.

Pennies! Dimes! Nickels! Quarters! These familiar denominations are the basis of our Coin Club headed by Mr. Black. The participants are avid collectors of aged coins.

Money Mongers

The Reading Club was newly organized this year under the direction of Mr. Rose. Its hopes are to develop better comprehension and understanding among its members in reading. This is accomplished by the reading and discussion of specially selected materials.

Realms of Reading



Nyet!

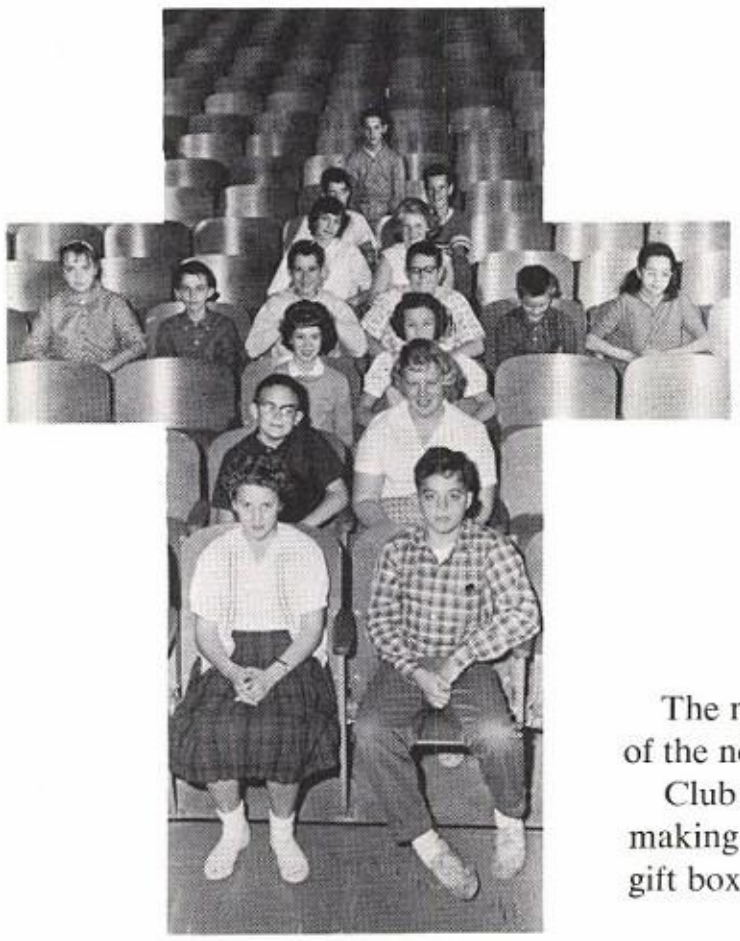
The purpose of the Russian Club, under the tutelage of Mr. Muzzi, was mainly to learn the language and to promote world peace. Also, in order to further better world understanding, we learned about the people, customs, and history of the Russian nation.

The club's aim is: To help make the library the richest resource in the school, and to make its services indispensable to individual and class.

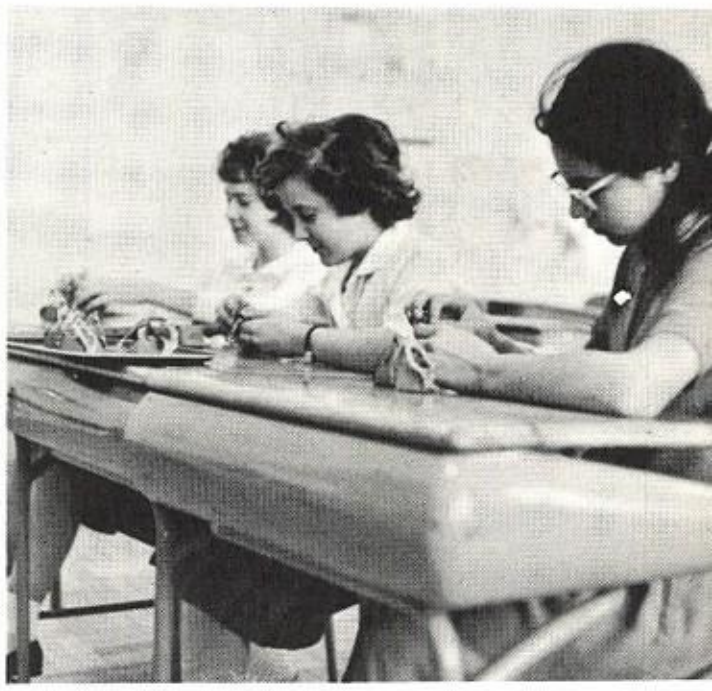
Courtesy, promptness, dependability, neatness, cooperativeness, and accuracy are but a few of the elements stressed at the meetings. The members strive to build an attitude of respect not only for public property but also in the sharing of library books.

Engaging Literature

Our indispensable library assistants served us willingly as they checked out books and hunted for reference materials.



Comfort the Afflicted



The most important purpose of the Red Cross Club was the helping of the needy.

Club activities, with the assistance of Miss Guckes, included the making of various holiday favors to be used in local hospitals. Also, gift boxes were made to be sent overseas.

Clever Craftsmen

The Industrial Arts Club was organized to give those students interested in wood craft a chance to express themselves. Their advisor, Mr. Caufman, guides these enthusiastic young carpenters in their creative projects. The club's objective is to encourage hobbies of all types and to further knowledge of industrial arts.

Silent Service

The behind the scenes men at all movies shown at assemblies throughout the year: These are the Projection Club members.

Aided by their advisor, Mr. Shunk, the projection crew first learn the operation and maintenance of the projection equipment before being promoted to running it on their own. Each year the club sponsors a feature length film after school for the entertainment of the student body.

Mechanical Maestros

Dismantling and reassembling a car is just one of the many activities performed by the Automotive Club during the past year. Its members learned the mechanical functions of an automobile and through practical application became safer, more skilled drivers.

In the Outdoorsman Club, one will find Harbor Creek's avid hunters, fishermen, and archers. Mr. Dennis instructs members in the use of firearms and stresses the value of good sportsmanship. Annually, the club sponsors a dance and a turkey shoot.

Nature Enthusiasts

Senior Y-Teens

Service +

This year the Y-Teens Club devoted its time and effort to one project which was a service for others. The club undertook the task of raising money to buy a record player for Sunny Harbor Homes.

The purpose of the Y-Teens club was to develop young Christian women with Christian outlooks and ideals.

President Joyce Robinson was one of the two representatives selected from Erie to attend the 22nd national convention in Denver, Colorado.

The club also sent representatives to Chatham College, near Pittsburgh, to attend a workshop concerning Y-Teens.

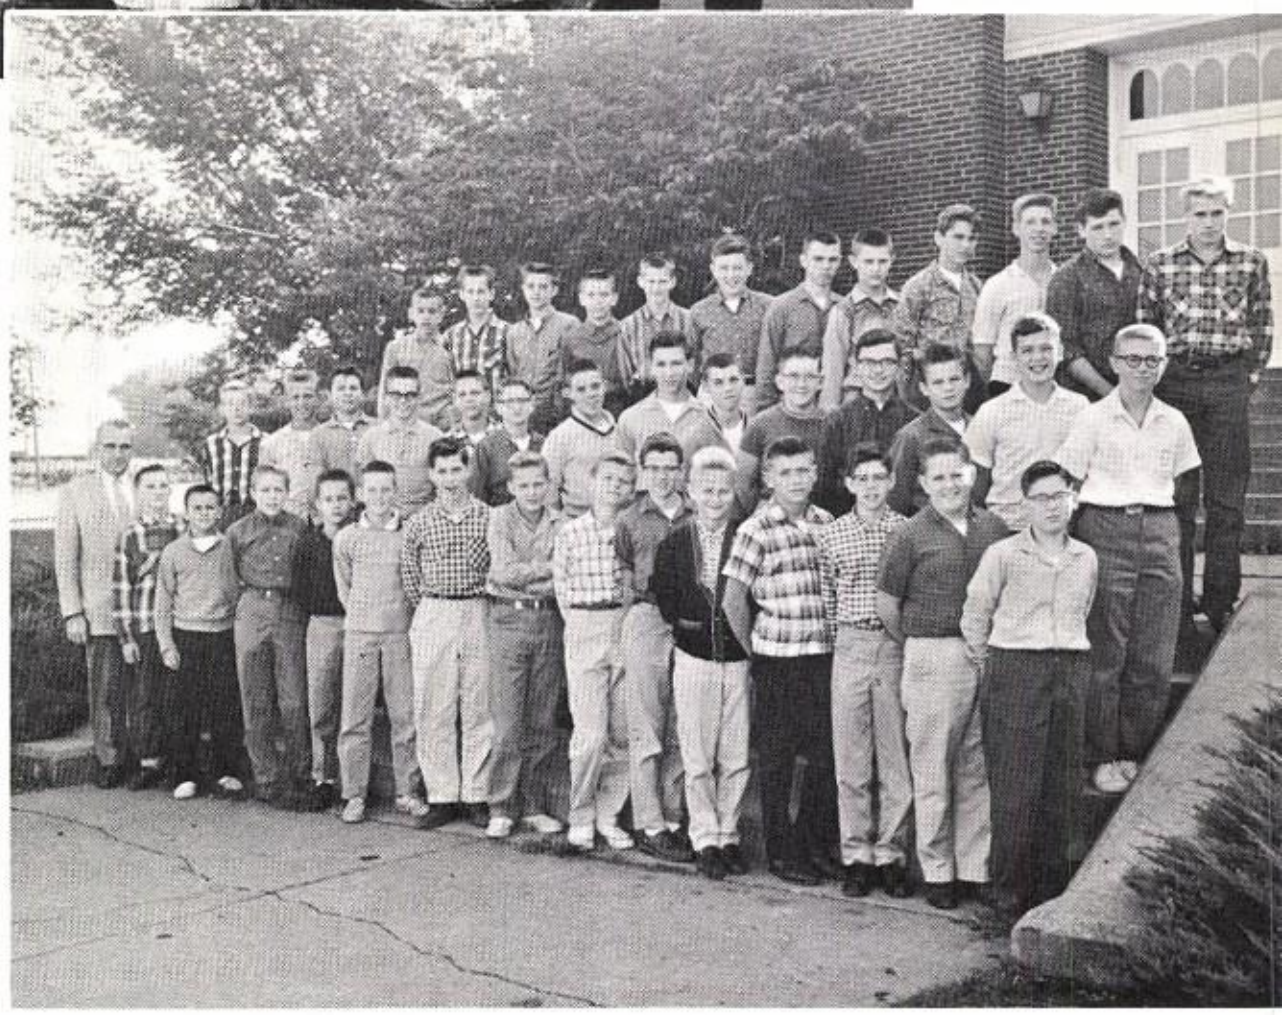
This year Harb proudly boasts three Junior High Y-Teens groups. They are following in the footsteps of their sister organization. Though many in number, they try to create a Christian atmosphere for all members during meeting periods.

9th grade Y-Teens

8th grade Y-Teens

7th grade Y-Teens

9th grade Hi-Y

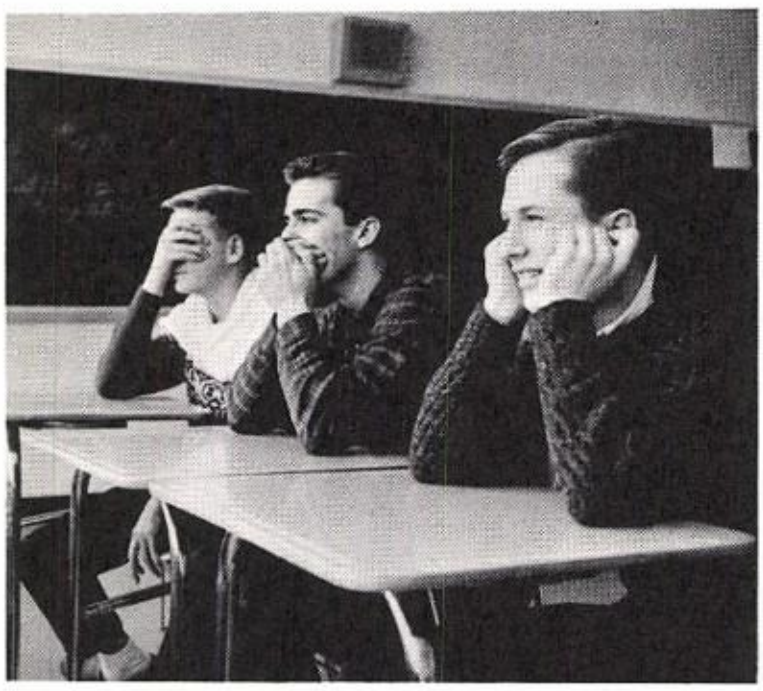


8th grade Hi-Y

7th grade Hi-Y

Senior Hi-Y

The Senior Hi-Y Club, sponsored by the Erie Y.M.C.A., served to promote friendship and Christian ideas to its members. Hi-Y activities included movies, an intramural basketball team, speakers, and parties.



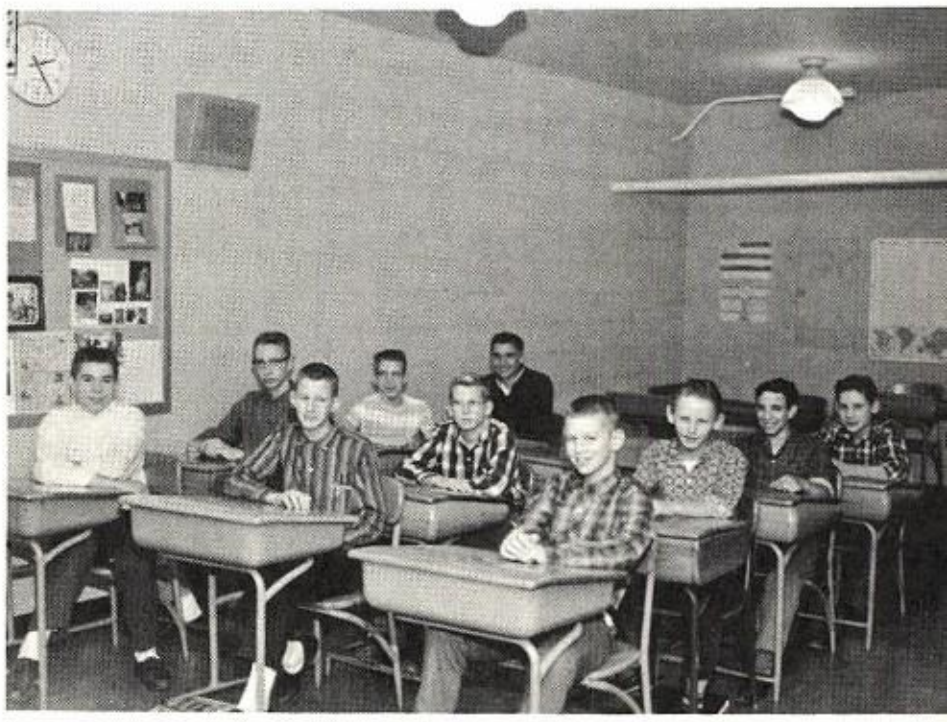
See no evil, Speak no evil, Hear no evil.

Character Counts

As members of the Junior Hi-Y, it is our purpose to strengthen our bodies, develop our minds, worship God, and work together for a finer community and a better world.

Our club platform is concerned with Christian thought, Christian action, and Christian leadership.

During the school year we conduct a series of activities, some of which are sports, movies, and various other social events.

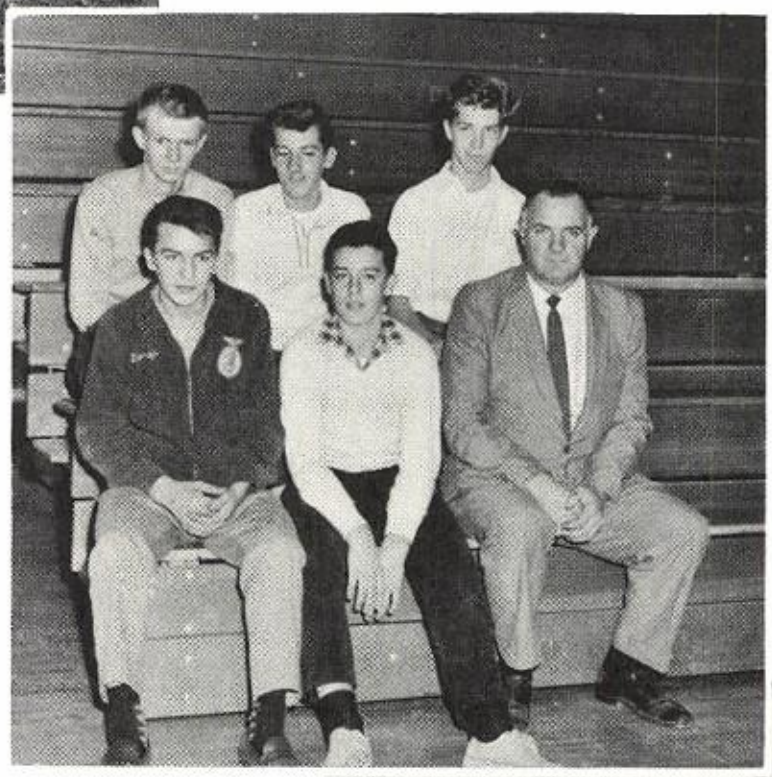


Domestic Damsels

The purpose of the Future Homemakers of America is to give young women practice and experience in the craft of homemaking.

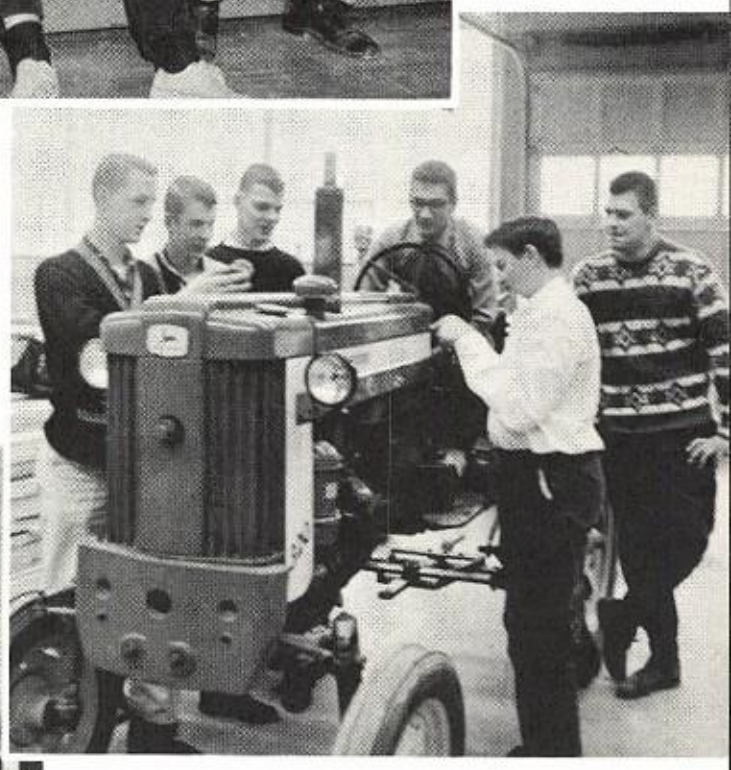
Inevitably, someday nearly every girl will become a wife and mother. It is through F.H.A. that preparation is accomplished for this worthwhile vocation.

Junior F. F. A.



The F.F.A. Club is for those boys who are looking forward to a vocation in agriculture. These industrious boys, under the leadership of Mr. Ellwood, carry out many worthwhile projects. Among other awards, they won the sweepstakes at the Wattsburg Fair for scoring the most points. Their grape project financed a three day stay in Harrisburg and a trip to Penn State University. Other activities included F.F.A. calendars, a parent and son banquet, and the annual basketball tournament.

Down to Earth



Senior F. F. A.

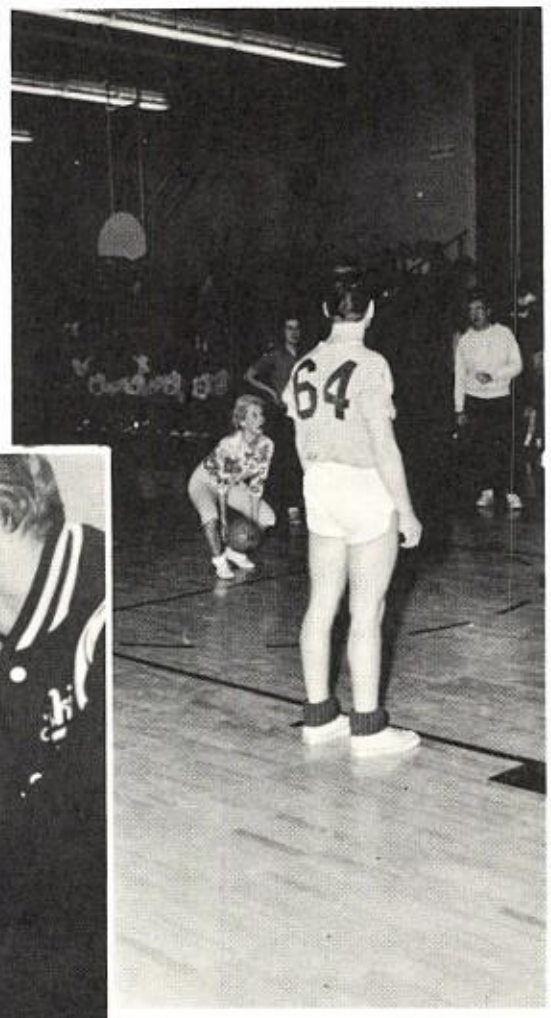
Every club period enthusiastic H.L.S. girls could be found in the Senior High gym participating in basketball, softball, and archery. Through these activities, they tried to develop healthy attitudes toward life and the character traits of sportsmanship and loyalty.

Health
Loyalty
Sportsmanship

Jumping Jamboree

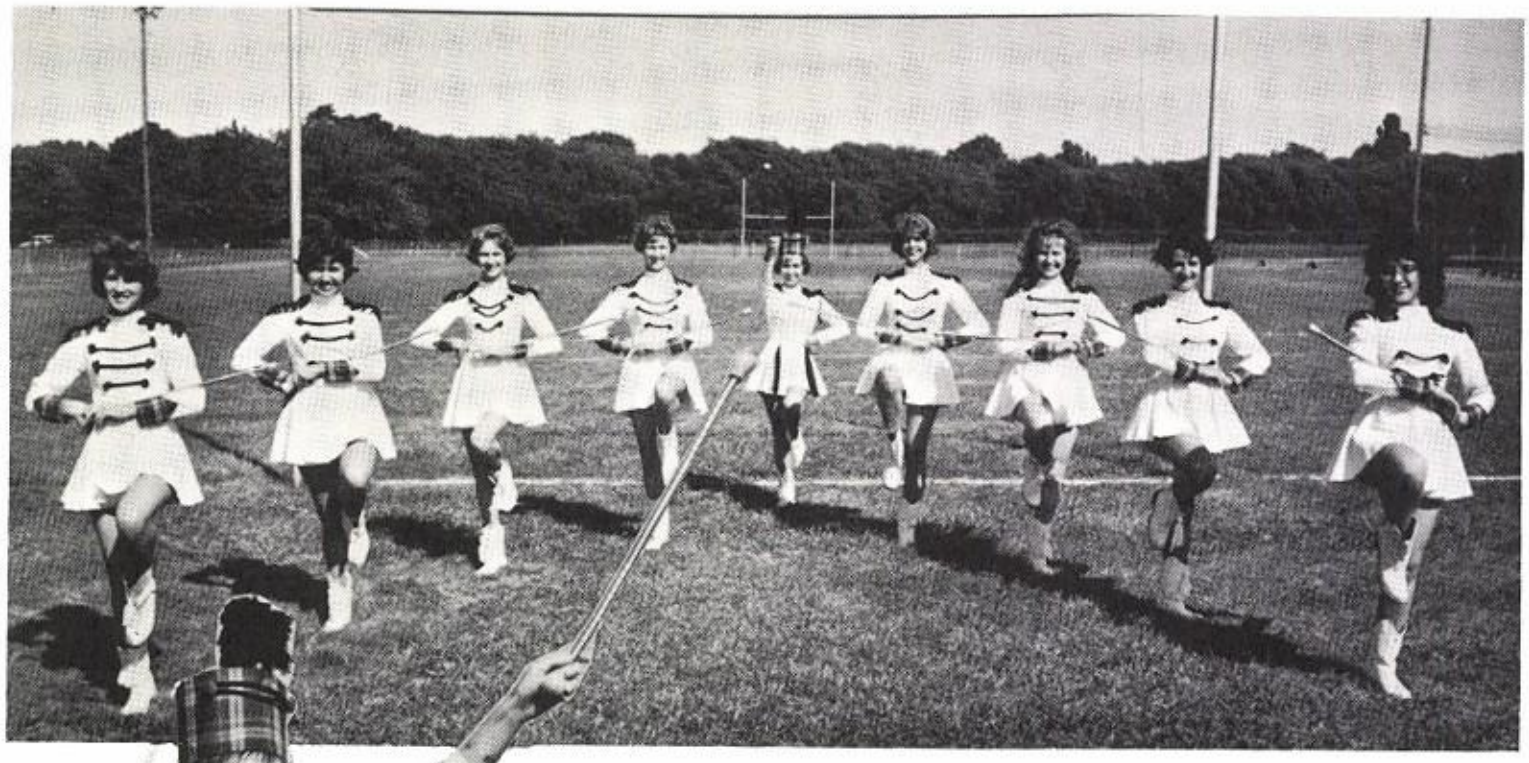
Consistent improvement over the last two years has helped the girl's basketball team compile an average record.

Through the relentless efforts and the guiding genius of Mrs. Watson, the team strove to achieve a winning record but were thwarted due to lack of experience.



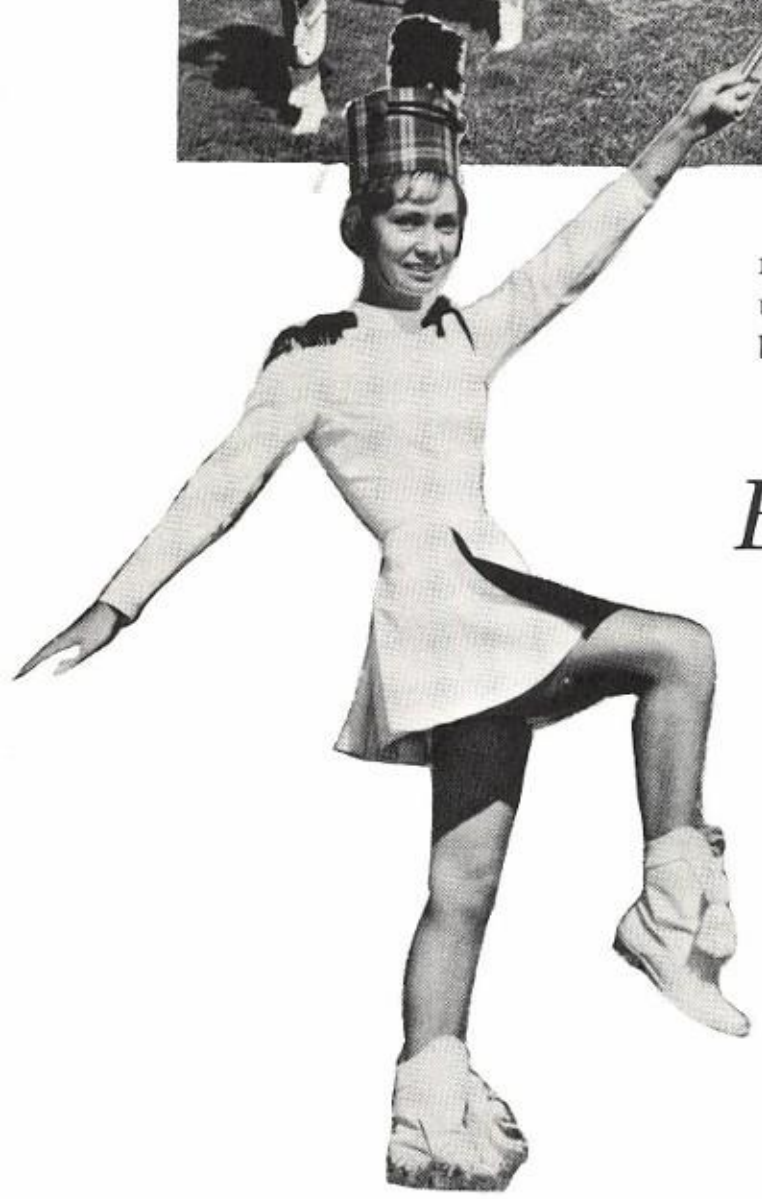
Letters of Commendation

It was easy to spot members of the Monogram Club this year because of the sharp new jackets they were sporting. These were given as awards to the lettermen for their outstanding performance in the field of athletics. The Junior-Senior football game, Fun Night basketball games, and a car wash were a few of the activities sponsored by the club during the past year.



Harb's enthusiastic twirlers are a sight to behold. Under the direction of Mrs. Helen Arnold, they perform their routines with the utmost competency. A zealous effort was put forth by every member of the group and their capable leader, Sue Hatch.

Battalion of Batons



If you walk by the Junior High Gym during the Activities Period you will hear the constant chanting of left, right, left, right and see a multitude of girls diligently practicing the art of twirling.

Under the competent leadership of Sue Hatch and Sheila Waite, these girls adapt their routines from those used by the Senior Cadets and Twirlers.

Mrs. Arnold, their mentor, was instrumental in producing the routines which they used in the Spring Capades.

Carousel of Cadets

Mrs. Arnold's Senior and Junior Cadets created a spectacular scene on our football field during the pigskin season.

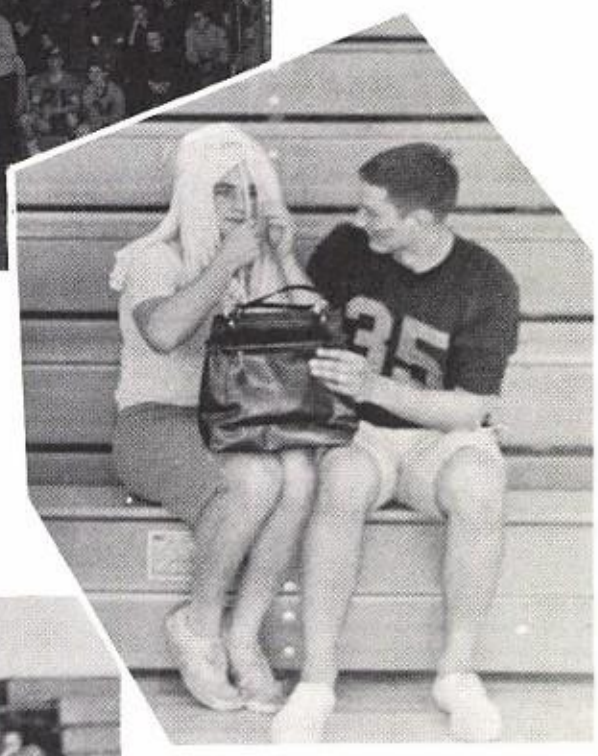
Their efficient leaders, Sue Fitzgerald, Patsy Stein, and Judy Wetzel conducted their routines with the utmost competency.

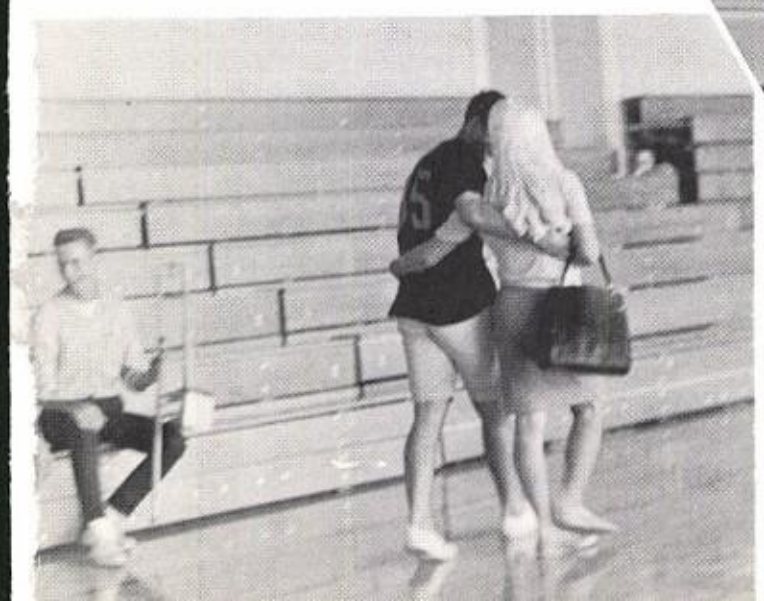
The half-time shows were not the only performances with which our cadets were concerned. They participated in the Spring Capades, did requested performances, and presented an assembly for the entire student body at the culmination of the school year.

Football games just aren't complete without our highstepping Huskiettes.

A Spectacle to Admire

One of the highlights of all football and basketball games was the appearance of our colorful and enthusiastic cheerleaders. The girls practiced diligently and faithfully last summer and after school throughout the year to be able to give Harbor Creek the best representation possible among the ranks of cheerleaders. Their outstanding performances were appreciated by not only Harbor Creek students but by rival schools, also.





Welcome Alumni

The first Homecoming in the history of Harbor Creek High School was held on November 2, and was sponsored by the Senior Class.

In spite of rain, a large and enthusiastic crowd of students and alumni were present to witness one of the more exciting games of the year. The Huskie gridders battled their perennial rivals, the McDowell Trojans, and proved that determination and sacrifice is the better part of valor. The team was well on the winning road with a score of 13-0 when, in the latter part of the game, a few irrevocable errors proved costly and the Trojans pulled ahead to win 21-13.

Following the game a dance was held where the queen, Jean Dunst, and her attendants reigned.

All those present agreed that Harb's first Homecoming was a tremendous success. Congratulations are in order to the Senior Class and Advisors for this outstanding first endeavor.

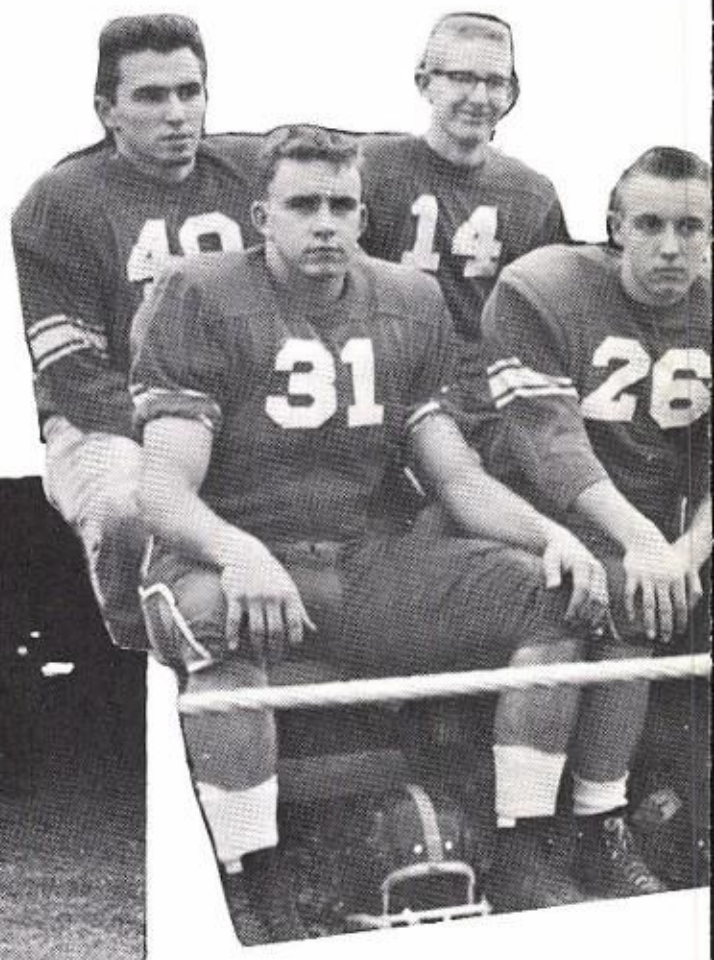
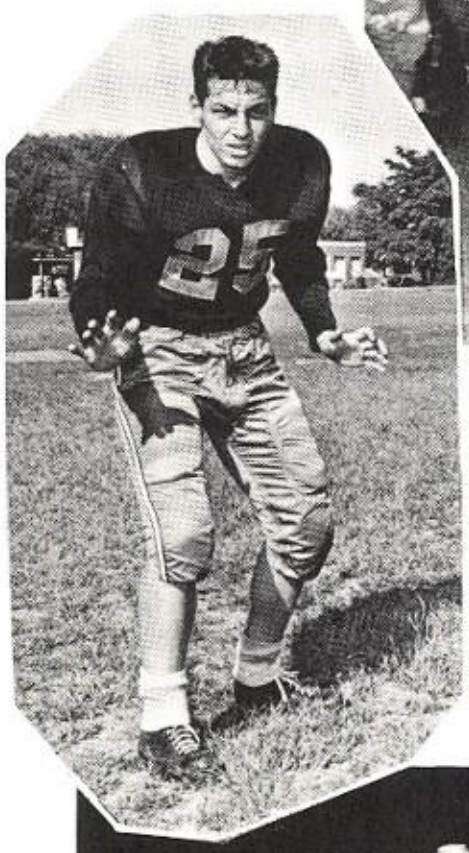
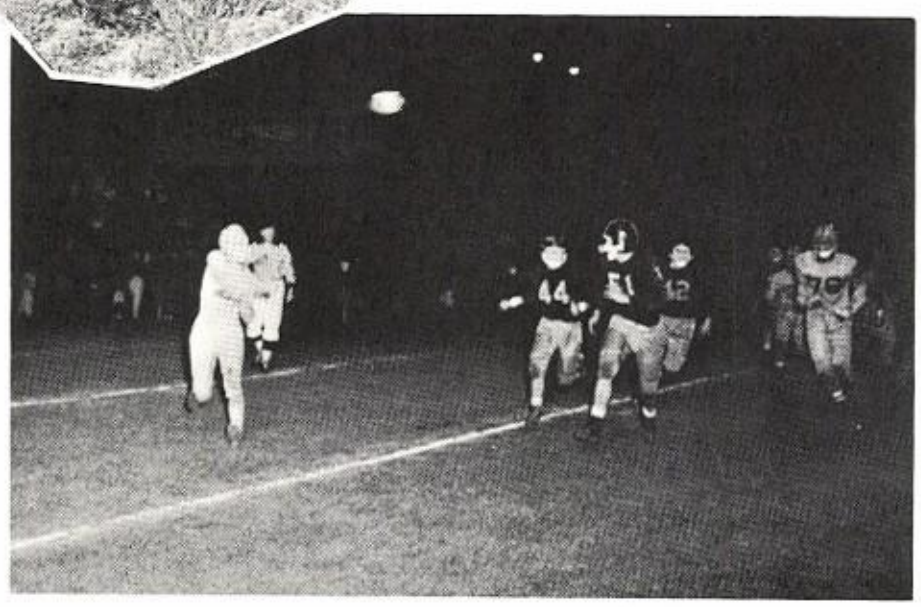
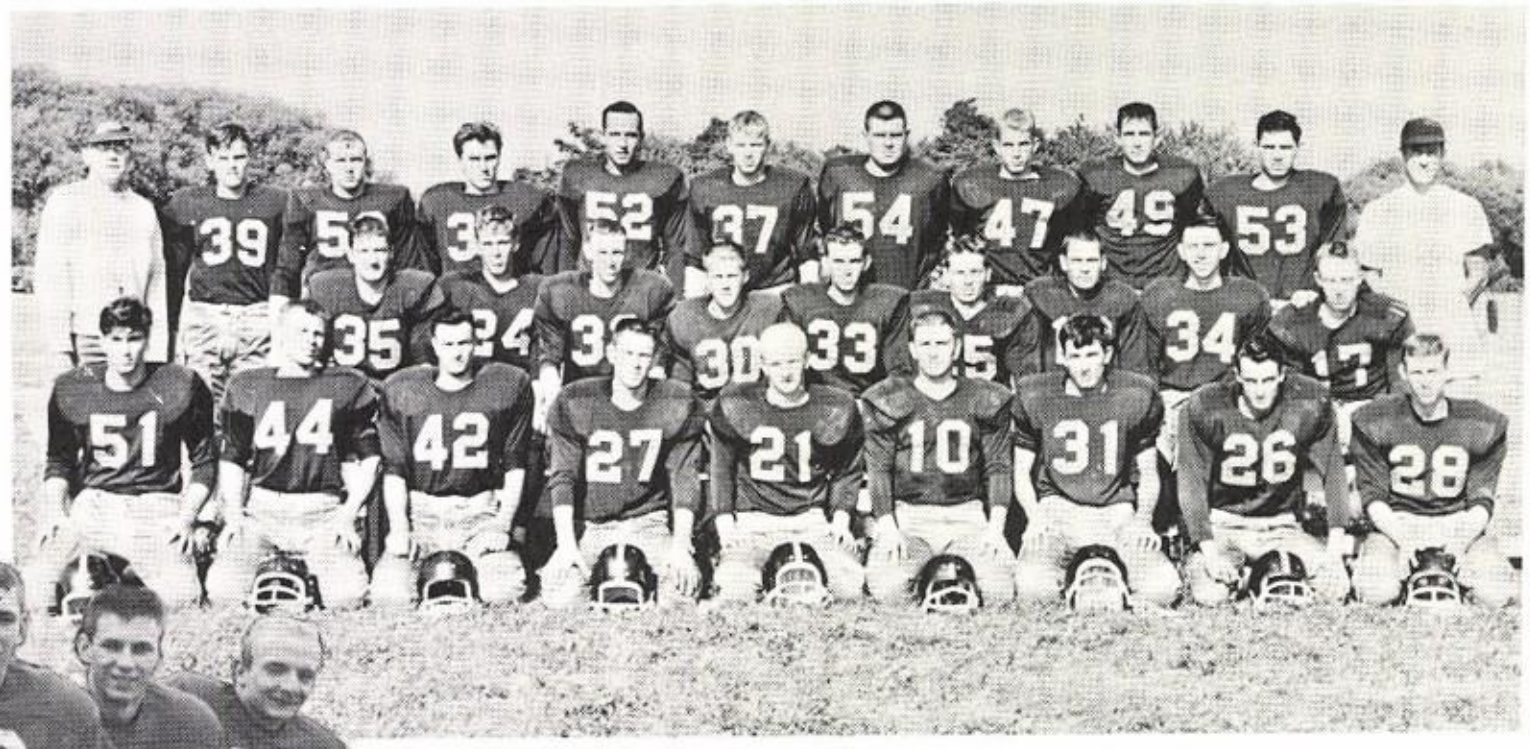
Pigskin Perfectionists



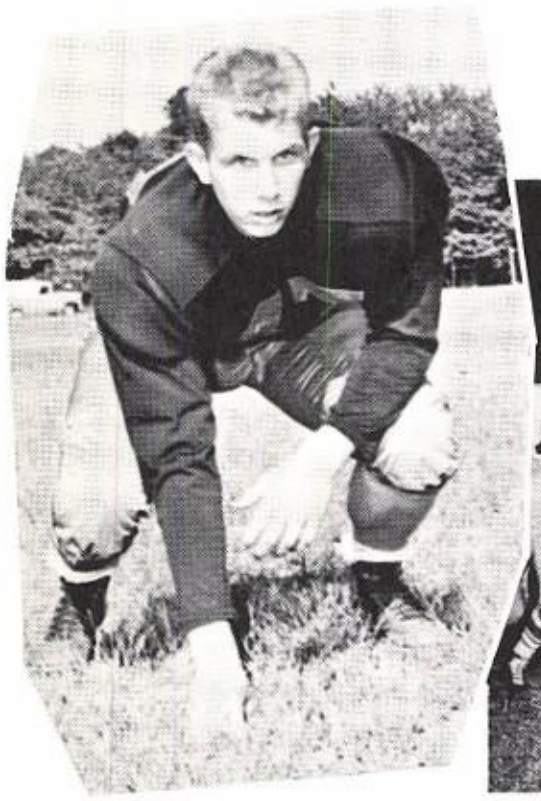


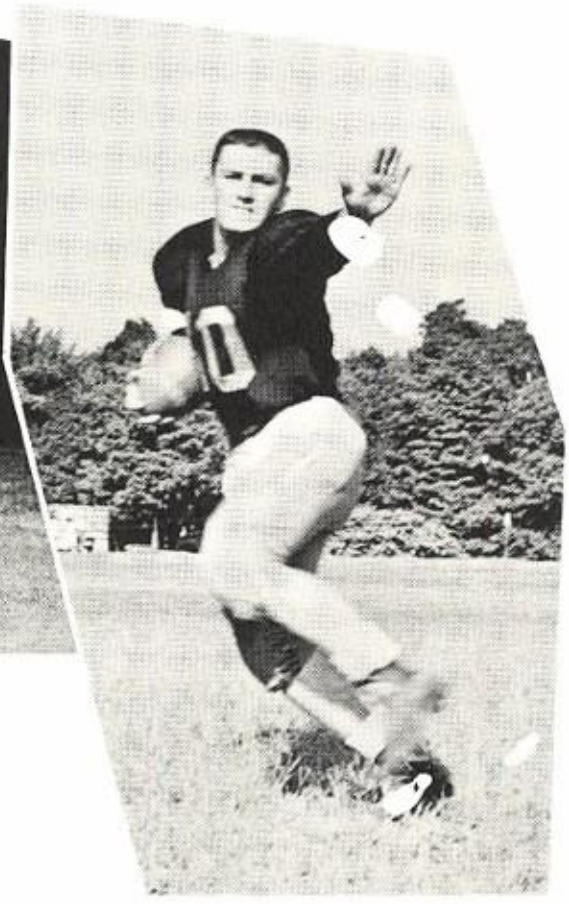


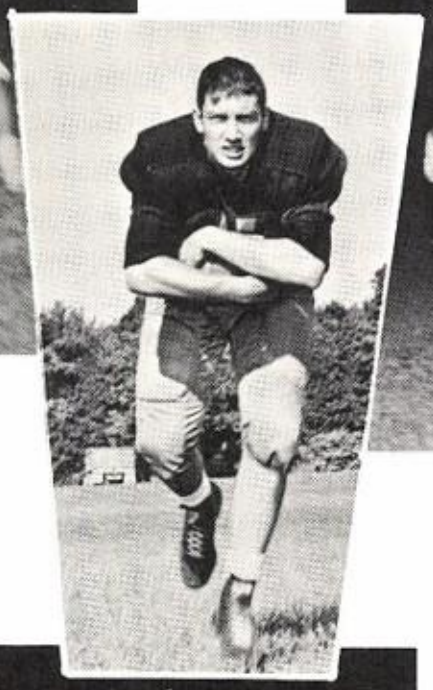
Harb	14	East	34
Harb	7	Meadville	13
Harb	7	Hickory	18
Harb	20	Tech	32
Harb	7	Vincent	12
Harb	7	Saegertown	0
Harb	12	Academy	32
Harb	13	McDowell	21



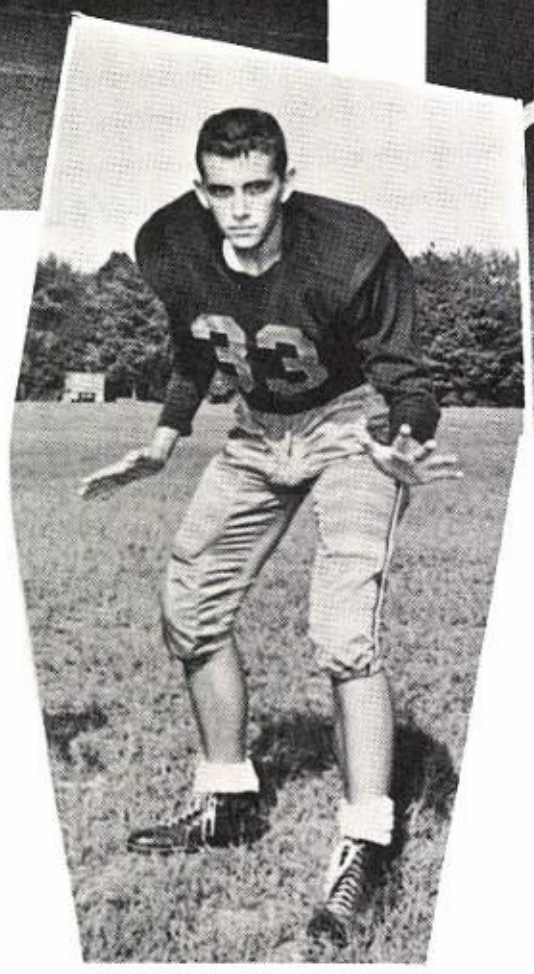
This year Harbor Creek, under head coach Robert Denniston, initiated a program whereby we participated as an independent team instead of remaining in a league. The Huskies received fine support from the ardent fans and the school, but were only able to compile a 1-7 record. However, this record does not tell the story of the season. Every game was hard fought and the scores sometimes failed to point out the fine individual and team effort. At the end of the season, Whitey Eisert was selected as Harbor Creek's *Outstanding Football Player*.

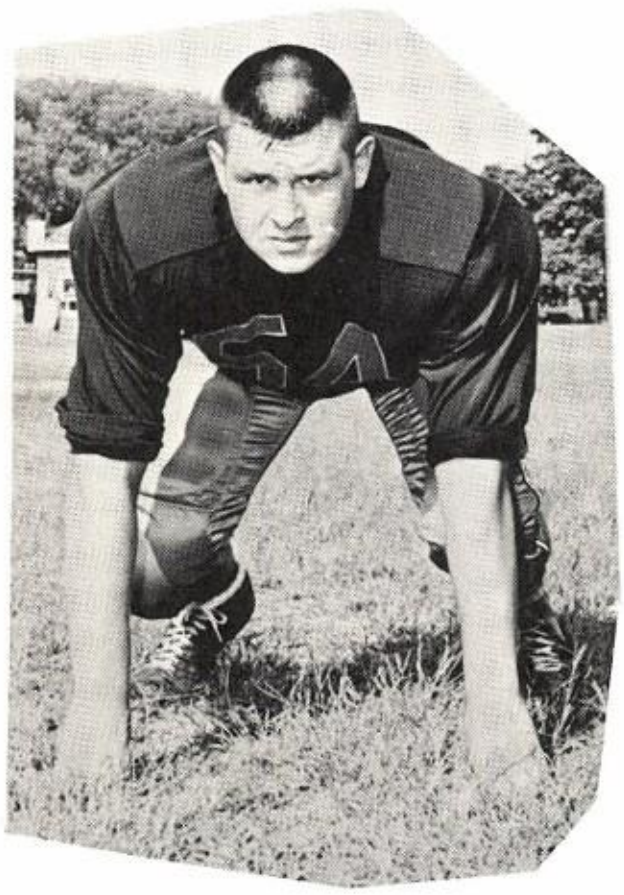


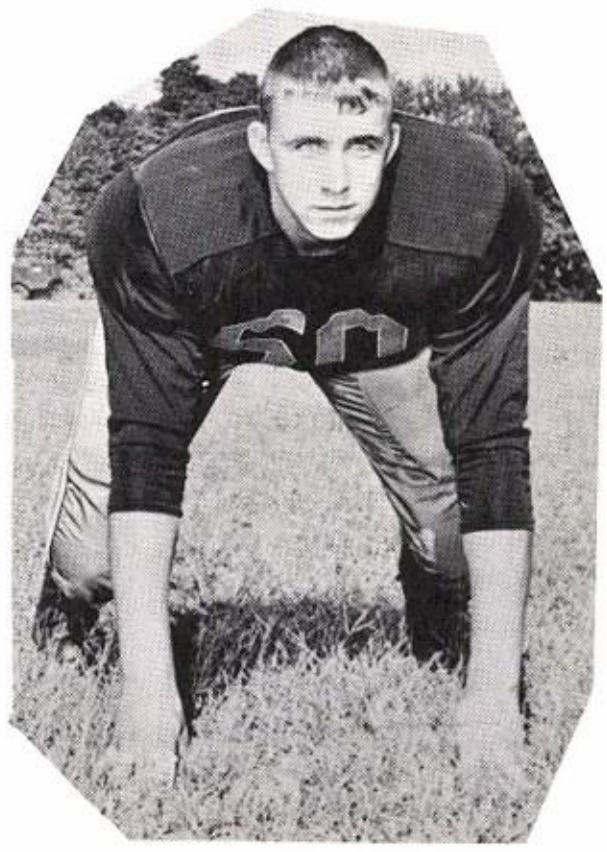


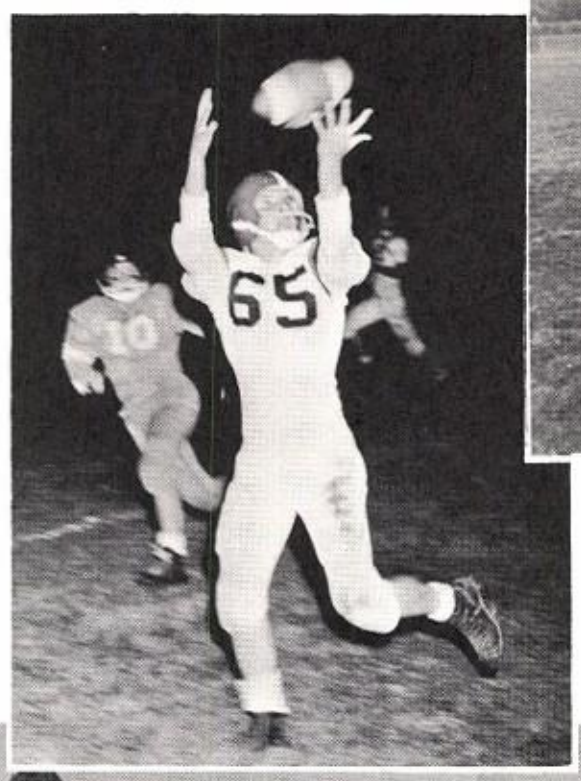


Thrills and Spills









JV's

Due to the small turnout for varsity football, the junior varsity failed to receive the help of many eligible boys who were needed for the varsity team. However, the team, under Mr. Palloto, faced those great odds and played hard throughout a tough schedule.

Harb	0	East	7
Harb	0	Tech	13
Harb	0	McDowell	28
Harb	7	Strong Vincent	25
Harb	0	Academy	34

Junior High

The Junior High Football Program teaches the boys the fundamentals of football and good sportsmanship. The team, coached by Mr. Foust and Mr. Bannister, compiled a record of 1-4.

Harb	13	North East	7
Harb	12	Lawrence Park	14
Harb	7	Fairview	24
Harb	0	Westminster	33
Harb	0	Fort LeBouef	35

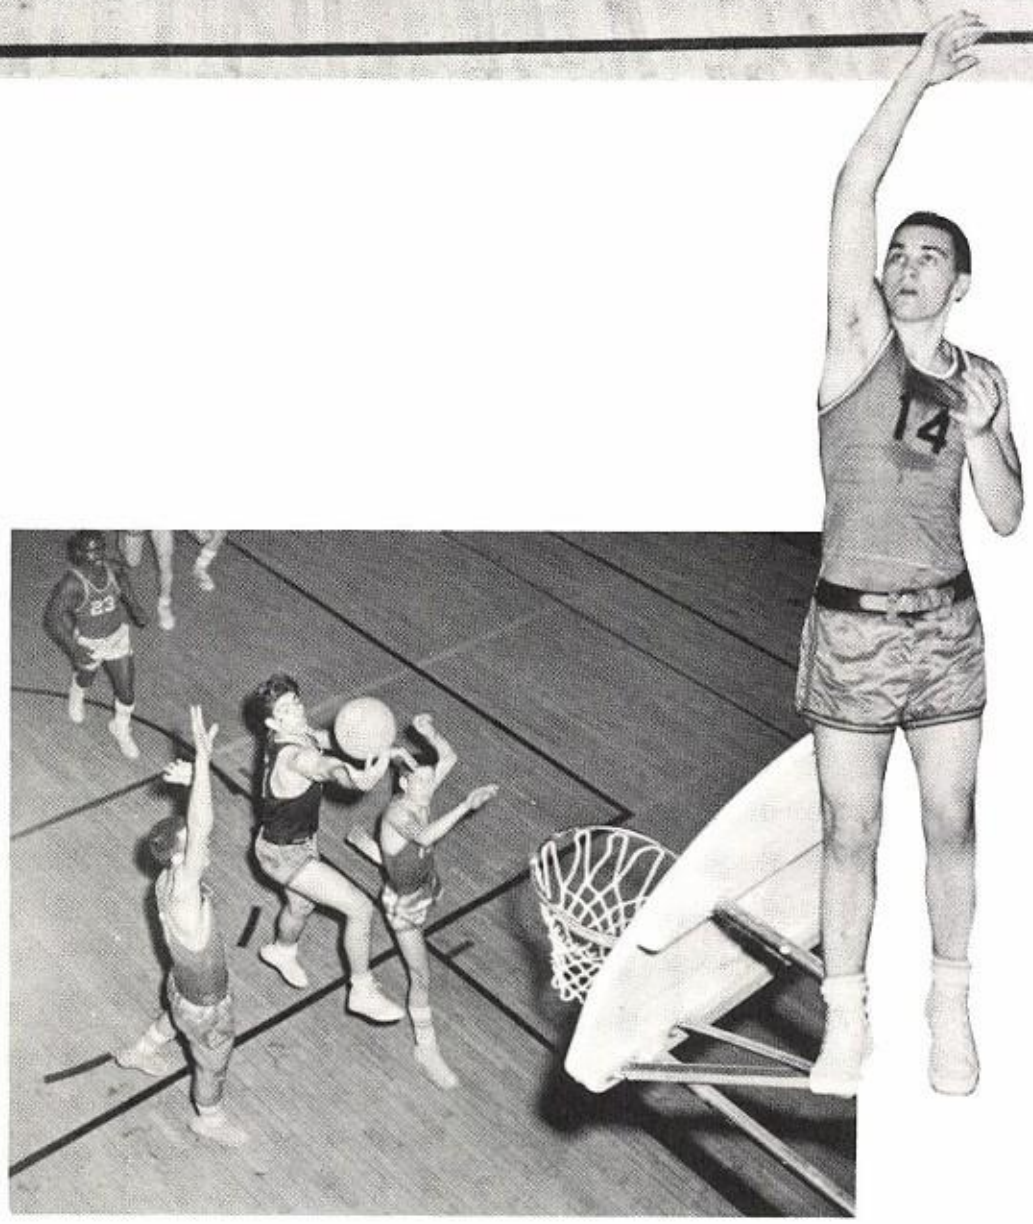
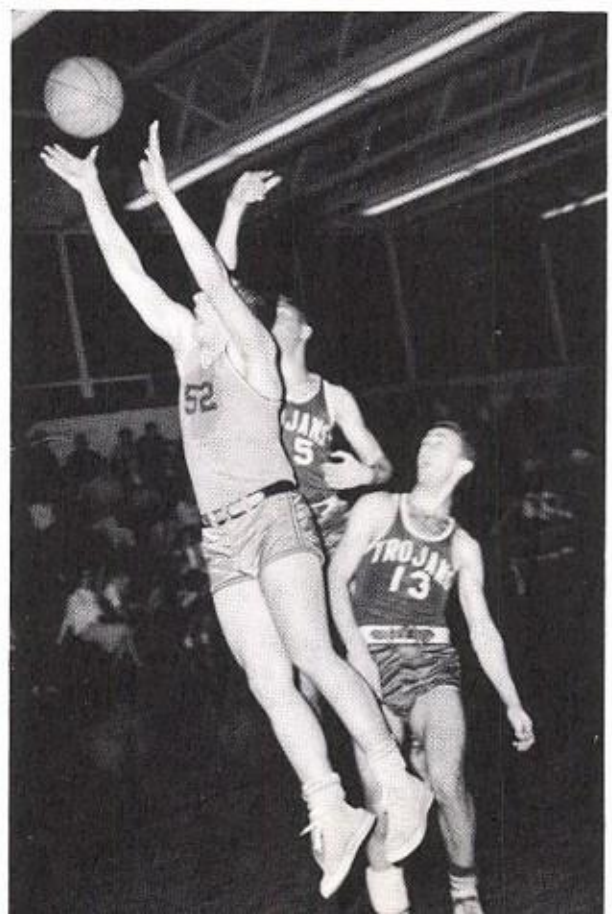
Harb	60	Cambridge Springs	52
Harb	72	Saegertown	62
Harb	65	Fairview	67
Harb	44	Tech	59
Harb	55	East	45
Harb	41	McDowell	54
Harb	49	Academy	54





The varsity basketball team, coached by Leroy Palloto, had an unusual season this year. After looking very impressive in winning four of their first five games, the team met and lost to Erie Tech and from that time on it was an up again, down again season.

However, by the end of the 18 games everyone was happy with the exciting and spirited play which they had witnessed throughout the year. Special mention should be given to Jack Bohman, Bob Cook, Richie Herbst, Don Dougan, John Dean, and Bill DeDionisio for the admirable way they performed on the court.

Harbor Creek also participated in the initial season of the Scholastic Invitational Tournament in which they compiled a 1-2 record.

A Lesson in Court Craft

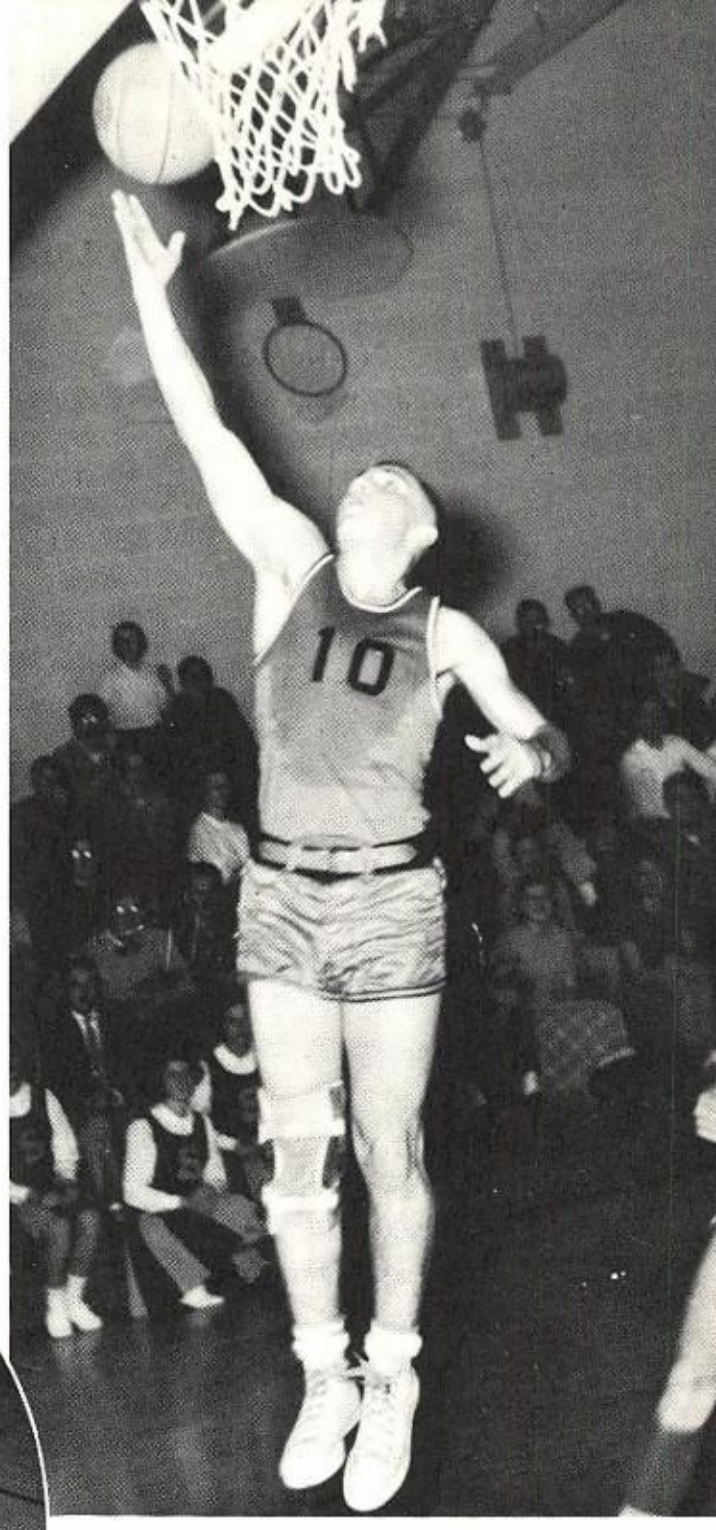
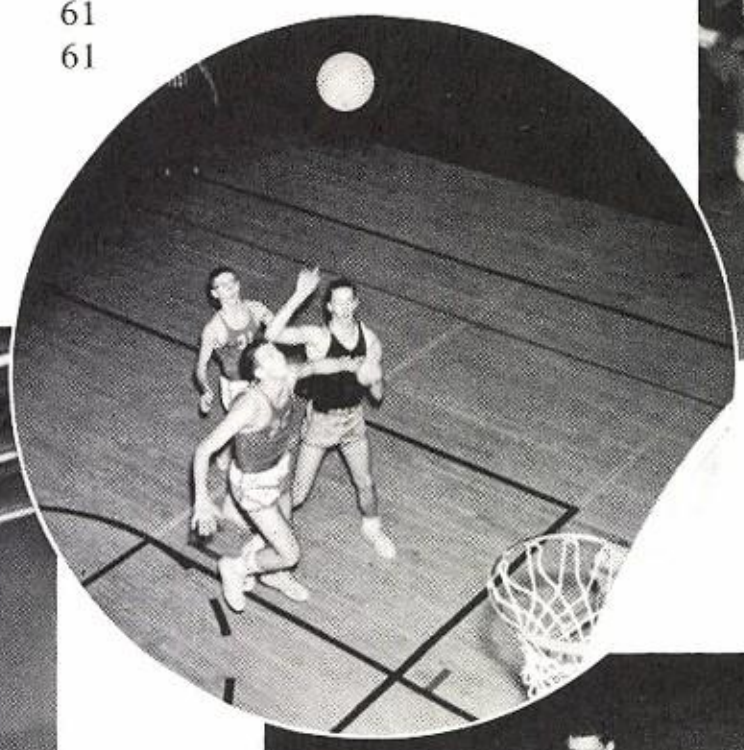
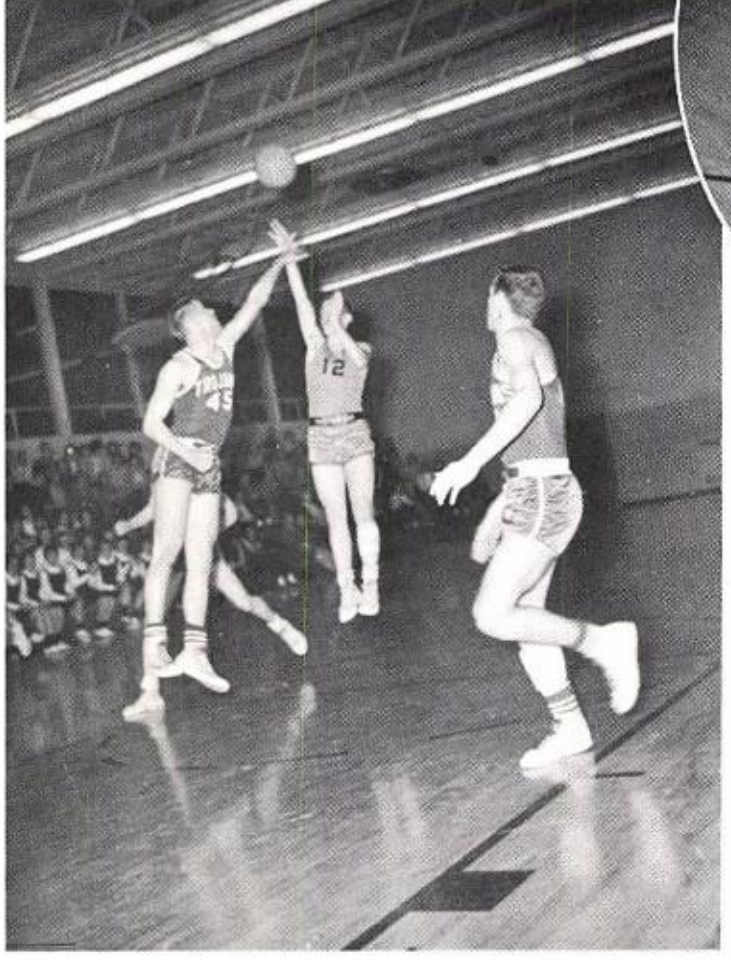
Harb	49	Academy	66
Harb	44	McDowell	53
Harb	45	Strong Vincent	63
Harb	46	East	61
Harb	64	North East	61





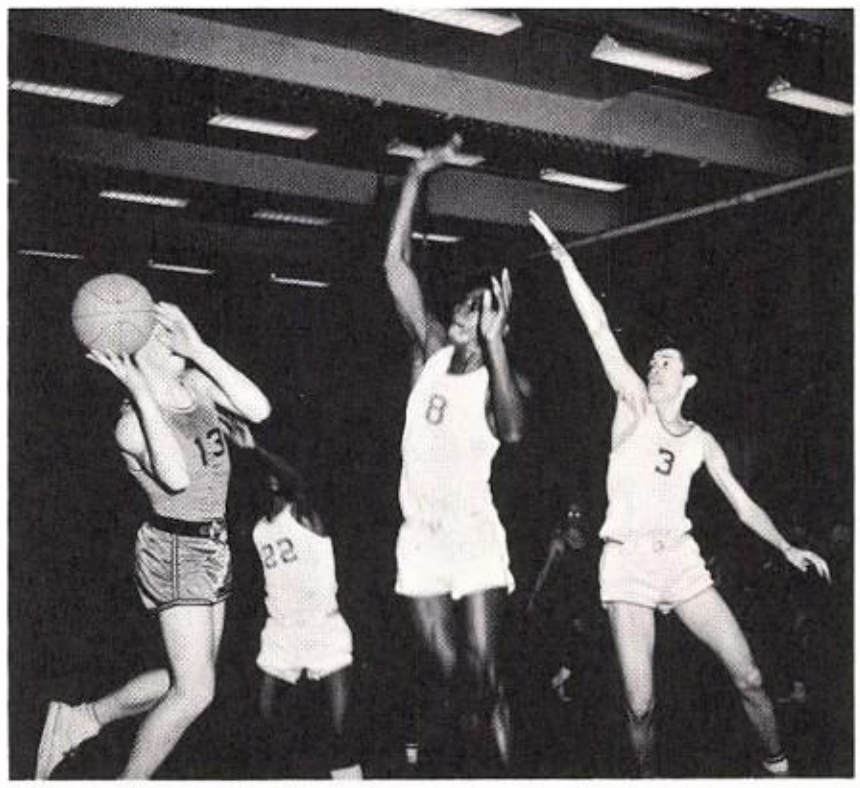


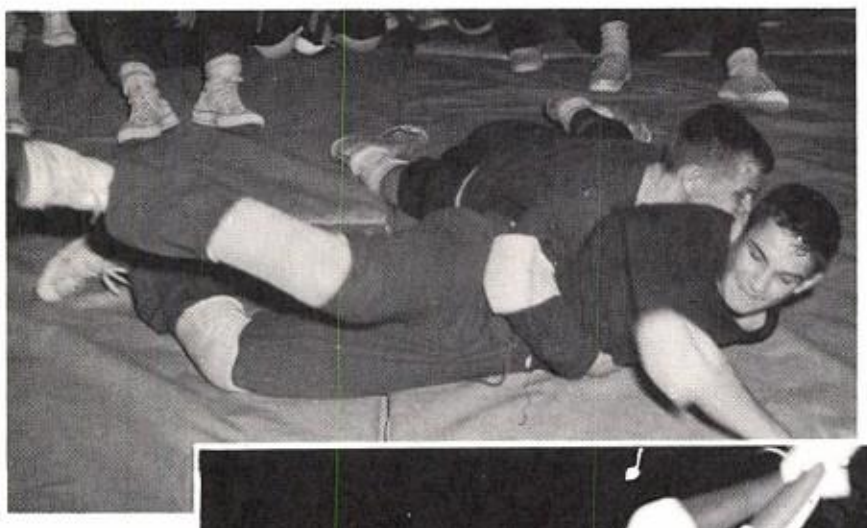
J. V.

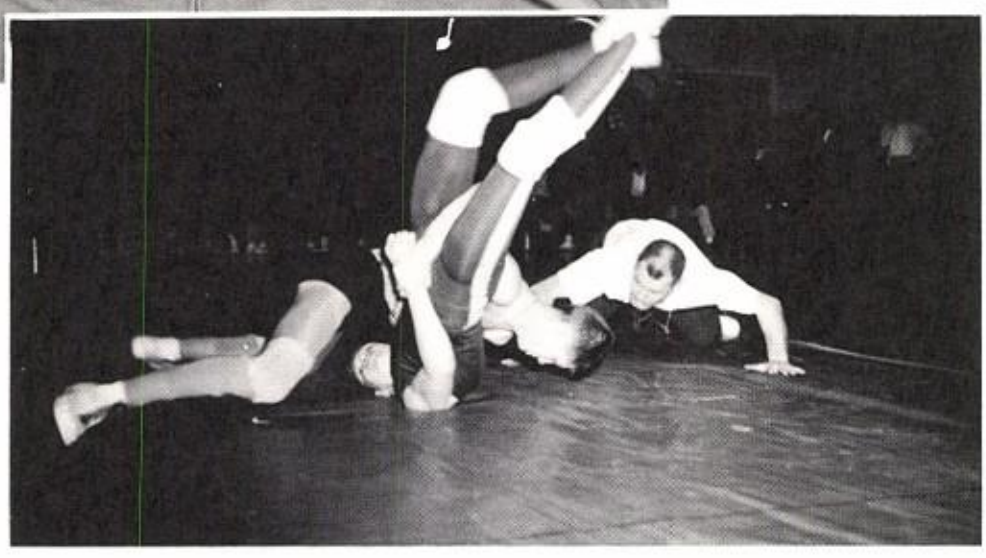
The J. V. Basketball Team, under coach Robert Denniston, performed well throughout the season and in the process compiled a winning 11-6 record. Al Landis, John Langer, Dan Casane, Bob Arpin, Don Johnson, Ray Rockey, Jim Irvine, Cliff Hogue, and Ron Brady deserve special mention for their steady and outstanding play. Harbor Creek fans can look forward to an exciting varsity campaign in 1962-63 for there is no doubt but that these boys will let their presence be known on the hardwood.

Junior High

The main purpose of the junior high athletic program is to teach fundamentals. In basketball this task was performed admirably well by James McDonald. Coach McDonald's team compiled a favorable record and gained valuable knowledge for future use in varsity competition.







Masterful Mat Men

Harb students can be proud and boastful of their first wrestling team. Head coach Frank Dennis' hopes were finally realized when wrestling became the fifth inter-scholastic sport at Harbor Creek.

For a sport which takes years to master, our beginners did an outstanding job and presented the fans in attendance at home matches with exciting and thrilling wrestling.

The team compiled a 2-3 record which included a spine-tingling 26-24 victory over Girard.

Wrestling at Harbor Creek is here to stay and from all indications Harbor Creek students are anxiously anticipating the team's debut next year.

Getting into the the Swing of Things

The 1961 baseball team finished the season with a respectable 7-9 record. A rugged schedule against city competition prevented the team from compiling a better record. This year's senior members who made fine contributions in 1961 are Paul Andrus, John Divins, Jack Johnson, Rick Farel, Tom Thayer, and Dave Richter. Head coach Paul Foust also had promising underclassmen in Rich Rockey, George Hoover, Bob Irish, Emil Pialet, Cliff Hogue, and Bob Arpin.

The 1961 track team did a commendable job against stiff city competition with outstanding performances from Robbie Seelar, our fine Senior distance runner, and Don Dougan, who broke the school discus record. Lettermen who performed well were Don Allamon, Dave Bissell, Matt Boyce, Dick Henry, Ted Noyes, Rob Seelar, Maury Taylor, and Mark Woznicki. Underclassmen who made strong efforts were lettermen Don Dougan, Dick Walker, and Larry Puscher. Other participants who worked hard were John D'Amico, Bob Dine, Randy Emch, Steve Henry, and John Dean.

Our Alma Mater

Harbor Creek, forever, oh, we'll be true to you.
We'll defend your standards in what e'er we do.
As class meets class, and the swift years do pass;
To thee we will always be so loyal and true.

Our alma mater along Lake Erie stands,
Regal and stately, the best school in all the land.
We love thee, revere thee, will be true to the end,
For it's there that we met our best and truest friends.
